Dear Business Community,

We are asking for your help to support a very important program. A program close to home. The killing of a member of the Navy's Seal team occurred just weeks ago. The young man was from Lakewood. These wars we're in are still very dangerous. Norwalk feels there is not enough we can do to support our service people and our country.

WE NEED YOUR FINANCIAL SUPPORT TO MAKE THIS PROGRAM A SUCCESS

The program includes:

- 1 A 3x8 street banner featuring the name, rank and service branch of the serviceperson displayed along Firestone Boulevard;
- 2 Donor recognition on Norwalk City Television;
- 3 A photograph of the serviceperson you sponsor placed on the City's website.

We invite you to complete a participation form by calling

The City of Norwalk appreciates those who participated in this year's Home & Business Beautification Contest because they help keep our community looking beautiful. The Community Promotion Commission and City Council members commended and awarded the Home & Business Beautification Contest winners for their efforts.

Multi-Family and Business were included in the contest categories. Judging criteria included maintenance and design for planter areas, trimming of trees, hedges and bushes, general upkeep and condition of lawn areas or business landscaping; quality of business signage; and overall appearance.
