

# Swedish Weaving

Come to our Swedish Weaving Social to share your ideas, and meet new friends, as you create beautiful Afghans and other home decorative items such as place mats, table runners, pillows, bags, armchair covers, and hand towels.

This beautiful form of weaving dates back hundreds of years and adds special warmth to any home decor. This group meets continually throughout the year. Participants must provide their own equipment and material

## Mondays 1:00-4:00pm
