Projects will be located in census tracts with poverty rates under the City's current poverty rate or in/adjacent to the City's economic opportunity nodes. The City of Norwalk has aging housing stock, high rents, and limited rental housing choices. As such, project-based vouchers are an appropriate option to facilitate the development of new rental housing or projects that create new housing opportunities for special needs populations, particularly for the homeless or individuals with disabilities. Additionally, project-based vouchers are a tool for preserving affordable housing that is at risk of converting to market-rate housing and for meeting program utilization goals in a tight rental market. Project-basing vouchers is consistent with the 5-year PHA Plan as it is one of the strategies listed in the Plan to address housing needs by utilizing project-based vouchers to increase the supply of assisted housing and supports the PHA Plan goal of maximizing leasing and budget utilization.</p>

The Housing Authority was in a budget shortfall and wasn’t able to lease-up for the latter half of CY 2020. However, the Authority made a few process changes while working with the Department of Housing and Urban Development Shortfall Prevention Team and also applied and received Set-A-Side Funds with HUD to overcome the budget shortfall.</p> <p><b>Goal #4:</b> Promote economic self-sufficiency among program participants.  <b>Progress:</b> The Authority continues to administer the Family Self Sufficiency (FSS) program with 16 slots. The Authority received FSS Grant funding for the past five years. The Authority strengthened its partnership with the Southeast Los Angeles County Workforce Development Board by approving a new Memorandum of Understanding (MOU) on August 15, 2017 and updated MOU on June 18, 2019. The Authority continues to maintain partnerships with Cerritos College and the Norwalk-La Mirada Unified School District. Information about job opportunities, training, job fairs, and scholarships are shared with FSS participants throughout the year. The Authority also serves on the System Management Team for the local America’s Job Center of California (AJCC).</p> <p><b>Goal #5:</b> Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, sex, familiar status, and disability.  <b>Progress:</b> The program is promoted to all segments of the Norwalk population. Housing Quality Standards are applied equally to all units regardless of location or family type. The Authority provides more housing search time to disabled households and reviews reasonable accommodation requests on a case-by-case basis. The Authority works closely with the Fair Housing Foundation to assist participants with fair housing issues and to provide fair housing training to landlords. The Housing Authority also participated in the development of the City’s 2015 and 2020 Analysis of Impediments to Fair Housing Choice.</p>
