

How To Obtain A Green Halo Tracking Number

- Click the link to access the green halo website: Green Halo Website

The screenshot shows the Green Halo Systems website homepage. At the top, there is a navigation bar with a search field, a login field, and a language selector. Below the navigation bar is the Green Halo logo and tagline: "Recycling today's resources for tomorrow's generations." To the right of the logo is a "Questions? Live Chat! ONLINE NOW!" button and a phone number: "Interested? Call Us 1-888-525-1301 M-F 8AM - 5PM PST".

The main content area features a central diagram with the Green Halo logo in the center, surrounded by four icons: "CONTRACTORS", "GOVERNMENT", "PROPERTY TRACKER", and "RECYCLERS". To the right of this diagram is a prominent orange and green call to action box that says: "Ask about our New LEED v4 Compliant Tool. Click Here to Get Started and Create Waste Recovery Plan >>>>". A red arrow points from a black box on the right that says "Click here to create an account." to this call to action box.

Below the call to action box is a "QUICK TICKET UPLOAD" section with input fields for "Enter Project Tracking Number" and "Enter Your Email Address", and an upload button. At the bottom of the page, there is a video player for "Green Halo Online Waste Manag..." and a "Welcome to Green Halo Systems" section with a play button and a "Read More" link.
