State Level Emergency Powers

In June 2021, Governor Gavin Newsom announced that he would extend his use of “emergency powers” and extend the state of emergency, as well as some masking mandates past the June 15th reopening date.

The City is closely monitoring state-initiated actions to mitigate any potential local impacts.

The City continues to discuss the scheduled ending to several programs initiated by the state and county and has been in communication with the agencies overseeing these programs.

- The Metropolitan State Hospital’s use of the annex, formerly known as the California Youth Authority facility, is still scheduled to end on September 30, 2021.
- The Project Roomkey (PRK) program in Norwalk saw a total of 205 rooms being occupied, with a total number of 232 participants in the latest update. This program is expected to come to an end by September 2021.
- As of June 2021, the Project Homekey (PHK) site in Norwalk has reopened. It had been closed since late March due to a fire that damaged the building. Before its closure, the City was able to house many of its own homeless population at the site. The City will continue to be proactive and negotiate with the County to transfer more of the homeless population in Norwalk off the streets and into the facility.

The City will continue to monitor any new developments regarding these issues and keep residents informed.

Proposed Future Vision For Entertainment District

YOUR VOICE COUNTS!

On Tuesday, June 1, 2021, Primestor, a Los Angeles developer, presented the Norwalk City Council with a plan to redevelop the Civic Center to enhance the Entertainment District. The Entertainment District includes the Civic Center, AMC Theater, Doubletree Hotel, Outback Steakhouse and surrounding restaurants and businesses.

The redevelopment of the 10-acres of city-owned property along Imperial Highway at Norwalk Boulevard, dubbed “The Walk,” will include open space, shops, restaurants and housing. The intent of the project is to create a community-driven destination that meets the needs of residents, attracts additional economic development, promotes local hiring, and creates high-quality development in the center of Norwalk.

Following the presentation, the Council gave direction to Primestor to work closely with the community to solicit feedback on the redevelopment proposal. The community engagement efforts will begin soon and include community meetings, door-to-door canvassing, online surveys, social media advertisement, and a project-specific website.

The City Council initially adopted the Economic Development Opportunities Plan in October 2018 to identify areas within the City to promote economic development. In February 2019, the City entered into an exclusive negotiating agreement with Primestor Development, Inc. to undertake a feasibility study for the development of the area and explore viable opportunities to revitalize the 10-acre Civic Center lawn, surface parking lot and City Hall site. The developer commenced their public input efforts in December 2019, but stopped in late 2020 due to the pandemic. Initial feedback from community was positive, reflecting a strong desire for additional dining options.

Stay tuned for more info on opportunities to help shape Norwalk’s future. Additional information on the City’s Economic Development Projects can be found at norwalkecondev.org

El martes 1 de junio de 2021, Primestor, un desarrollador, presentó al Concejo Municipal de Norwalk un plan para reconstruir el Centro Cívico para mejorar el Distrito de Entretenimiento, que incluye el Centro Cívico, el Teatro AMC, el Hotel Doubletree, Outback y los restaurantes y negocios de los alrededores. La remodelación de los 10 acres de propiedad de la ciudad a lo largo de Imperial y Norwalk, apodado "The Walk", incluirá espacios abiertos, tiendas, restaurantes y viviendas. Después de la presentación, el Concejo dio instrucciones a Primestor para colaborar con la comunidad para solicitar comentarios sobre la propuesta de reurbanización. Los esfuerzos de participación comenzarán pronto e incluirán reuniones comunitarias, encuestas puerta a puerta, encuestas en línea, publicidad en redes sociales y un sitio web específico del proyecto. Este atento para más información!

County Programs to Help Low-Income Residents

The City of Norwalk is committed to helping Norwalk residents in need and offer several services for low-income residents through its Social Services Department. However, there are also services and programs available to Norwalk residents offered by the County of Los Angeles. Here are a few of the services and programs offered by the Los Angeles County Department of Public Social Services (DPSS) and other County agencies:

CalWORKs

California Work Opportunity and Responsibility to Kids (CalWORKs) provides temporary financial assistance and employment-focused services to families, with children that are minors, whose income and property are below State maximum limits for their family size.

Greater Avenues for Independence (GAIN)

Participants in this program can receive employment-related services to help find a job, stay employed, and move on to higher paying jobs. Services include Job Club, Vocational Assessment, Education and Training, Subsidized Employment, Community Services, and Post-Employment Services. Participants can also receive help with transportation, child care, and special job-related expenses, such as uniforms and tools.

Cash Assistance

General Relief (GR) is a County-funded program that provides cash aid if you are an adult without any income or resources, and children in certain special circumstances who are ineligible for federal or State programs.

CalFresh

The CalFresh Program helps low-income households increase their food-buying power to meet their household's nutritional needs. CalFresh benefits issued through Electronic Benefit Transfer (EBT) can be used in grocery stores and participating Farmers Markets. Homeless, elderly or disabled persons may purchase prepared meals from participating restaurants with their EBT card.

In-Home Supportive Services (IHSS)

In-Home Supportive Services can help pay for services if you're a low-income elderly, blind or disabled individual, including children, so that you can remain safely in your own home. IHSS is considered an alternative to out-of-home care, such as nursing homes or board and care facilities.

For more info on any of these services and programs, visit <https://dpss.lacounty.gov/en/programs.html>

Los Angeles Regional Food Bank

The Los Angeles Regional Food Bank's mission is to mobilize resources to fight hunger in the community. It distributes food and other essentials to children, seniors, families and other individuals in need. For more info on the nearest food banks, visit <https://www.lafoodbank.org/find-food/pantry-locator>

CA COVID-19 Rent Relief Program

Income eligible households who need financial assistance for unpaid rent and utilities will be able to apply for help through the CA COVID-19 Rent Relief Program, which is being administered by the California Business, Consumer Services and Housing Agency. For more info on this program, visit <https://www.lacda.org/programs/rent-relief>

City Operations Update

The City of Norwalk looks forward to resuming normal operations at several of our City facilities.

The following updates to our City operations go into effect on July 6, 2021.

City services will be available in a non-appointment, walk-up capacity. Appointments will still be highly recommended.

- Temperature checks and symptom screenings will no longer be required upon entry to facilities.
- Face coverings will still be required to be worn by members of the public inside all City facilities.
- Social distancing and capacity limits will be lifted at some City sites. You may still have to check-in at dedicated access points for certain services.

We encourage you to visit our website for more information and take advantage of our available online services, including yard sale applications and online

payment systems. To help save you a trip to City Hall, we also recommend that you contact the appropriate department directly via email or phone before your visit, and if needed, schedule an in-person appointment.

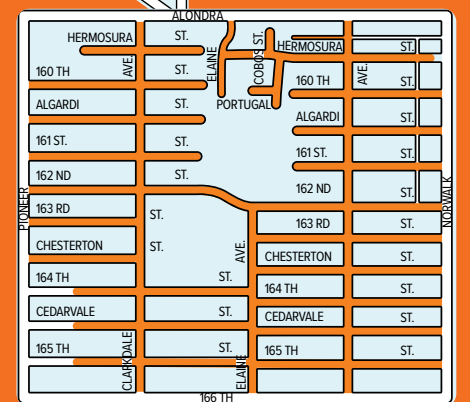

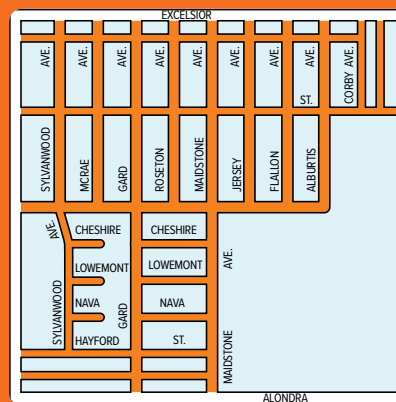

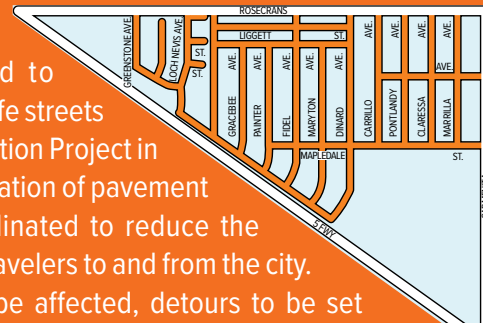

La ciudad de Norwalk reanudará las operaciones normales en varias de nuestras instalaciones de la ciudad. Al partir del 6 de julio, los servicios de la ciudad estarán disponibles en una capacidad sin cita previa. Sin embargo, las citas seguirán siendo muy recomendables. Los exámenes de síntomas ya no serán necesarios al entrar en las instalaciones. Los miembros del público aún deberán usar cubiertas faciales dentro de todas nuestras instalaciones.

Street Rehab Update

The City of Norwalk is committed to improving our infrastructure and ensuring safe streets for our residents. The Local Street Rehabilitation Project in Zones 24, 27 and 32 continues, with the initiation of pavement improvements. The work has been coordinated to reduce the construction impacts to our residents and travelers to and from the city.

Residents should expect parking to be affected, detours to be set and potential delays due to traffic around these project areas. We apologize for any inconveniences; however, these temporary traffic impacts are common for projects of this magnitude.

Please scan the QR code to the right for more info, including maps of the zones to be impacted.

About the Program

The City of Norwalk is providing a COVID-19 Rental, Mortgage, and Utilities Assistance Program for its residents. The program is funded by the Community Development Block Grant (CDBG) through the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

Grants are to be awarded to eligible residents of the City of Norwalk for rental, mortgage, and utilities assistance up to three months. Recipients of this grant will not be obligated to repay the monies. **Applications will be processed on a first come first served basis until funding is exhausted.**

The City is accepting applications through July 30, 2021

Eligibility

- ✓ Must be a resident of the City of Norwalk
- ✓ Must show inability to make rent, mortgage, or utility payments due to the impacts of COVID-19
- ✓ Must be extremely low, very low, low-to-moderate income
- ✓ Must meet income qualifications based on household size (see graph below)

COMMUNITY SAFETY ZONE

Athens & Nationwide Reroute

The City of Norwalk has partnered with Athens Services and Nationwide Environmental Services to update their routing schedule. The new routes will provide more efficient services to Norwalk residents.

There are multiple areas within city limits that will have both their waste & recycling collection and their street sweeping days changed. These affected residents received postcards in the mail informing them of these changes.

Additional areas in the City may also note that the timeframe for their street sweeping service might change. The change is expected to be more

convenient for these residents as it will shorten the street sweeping timeframe.

The new routes go into effect on Monday, August 2, 2021, but note that street sweeping signs in some areas might have already been updated. Please continue to move your vehicle(s) on your regularly scheduled day and time until the new routes are implemented.

For additional information, including a map of the new collection and sweeping schedule, please visit the City's website page at www.norwalk.org/i-want-to/trash-and-street-sweeping-re-route or scan the QR code below.

You can also visit your service providers' websites at:

La ciudad de Norwalk en colaboración con Athens Services y Nationwide Environmental Services actualizara un cambio en la ruta de servicio de basura y barrido de calles para proporcionar servicios más eficientes para los residentes de Norwalk.

Hay varias áreas en la ciudad que tendrán cambio de día de colección de basura y barrido de calles. Estos residentes afectados recibieron una tarjeta postal por correo informándoles de estos cambios.

Tenga en cuenta que su cambio en la ruta de servicio de basura y barrido, así como los tiempos de barrido de calles, seguirán siendo los mismos hasta el lunes 2 de agosto de 2021, que será la fecha de implementación de estos cambios. Por favor, siga moviendo su(s) vehículo(s) el día y la hora programados regularmente hasta que se implementen las nuevas rutas.

La ciudad continuara a compartir información acerca de los cambios con la comunidad. <https://www.athensservices.com> <http://www.nes-sweeping.com>

Crime Prevention Awareness

Norwalk will be hosting a modified version of our National Night Out programming in August. Residents will be able to connect with our law enforcement community and help raise awareness about the programs and services that they offer. Event details are still being finalized, so please stay tuned to the City's social media platforms for updates. You can also contact Miguel Lucero in the Public Safety Department at 562-929-5732 for more information.

Vehicle Theft Prevention Month

July is National Vehicle Theft Prevention Month. To help vehicle owners keep their cars safe, the U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) is continuing its annual Vehicle Theft Prevention Campaign. In 2019, nearly three quarters of a million motor vehicles were stolen in the United States, costing vehicle owners more than \$6 billion. These vehicles included passenger cars, trucks, and multipurpose vehicles. Here are some statistics on vehicle theft and tips on how to keep your vehicle safe:

- Only 56% of all stolen vehicles were recovered
- There were 721,885 total motor vehicles stolen
- 75% of all stolen vehicles were passenger vehicles
- A vehicle is stolen every 43.8 seconds

TAKE ACTION!

Here are some ways that you can help prevent vehicle theft:

- Park in well-lit areas
- Close and lock all windows and doors when you park
- Secure your valuables and keep them out of sight
- Do not leave your keys in your vehicle
- Do not leave vehicle unattended while it is running

For more information on vehicle theft prevention, visit NHTSA.gov/theft.

Spread The Word - Illegal Fireworks Are Not Worth It

The City has developed an extensive public outreach campaign to inform residents about the harmful impacts that illegal fireworks have on our community. We want to empower you to take an active role in helping us stop this dangerous activity. Four large message boards have been deployed throughout the City reminding commuters of the

consequences of using illegal fireworks in Norwalk. The City has also advertised the dangers of illegal fireworks in all of our print publications, posted fine and violation amounts on all of our social media platforms, and informed residents how to report violations anonymously

via displays at schools and City facilities. New this year, the City has even brought the messaging to your own backyard. Residents will find anti-fireworks lawn signs in neighborhoods across the City, as well as at parks and other public places, reminding everyone to be a good neighbor and informing them that Norwalk has a zero tolerance policy for

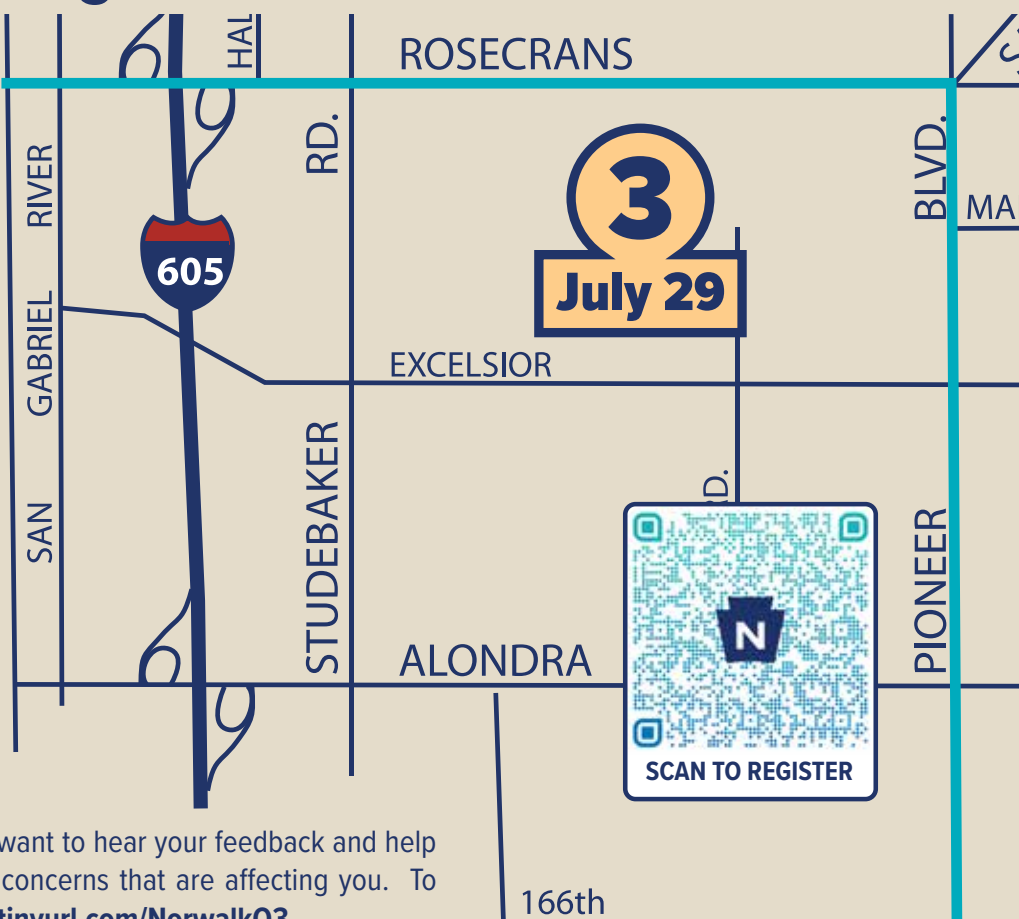

all illegal fireworks activity. Help us spread the word: tell your friends and family that illegal fireworks are not worth it!

Report illegal fireworks activity anonymously to 562-929-5333

Virtual Neighborhood Watch: Quadrant 3

Please join us for the next installment of our Virtual Neighborhood Watch series on **Thursday, July 29 at 6:00 pm.** This meeting will be focused on residents who reside in quadrant 3 in the southwest section of the City, but everyone is welcome to join! We want to hear your feedback and help find solutions to the concerns that are affecting you. To register, please visit: tinyurl.com/NorwalkQ3

ATM Scam

The City of Norwalk would like to warn the public about a growing scam involving ATM skimmers so that you don't fall victim to it. ATM skimmers are credit and debit card readers that are hidden within an ATM reader. Scammers are tampering with ATMs to install their skimmers, which allows them to access the cardholder's sensitive bank information. To help prevent falling victim to these scams, please do not use the ATM if:

- There appears to be any form of tampering, such as graphics not properly aligning
- The ATM keypad appears too thick or off-center
- Multiple attempts are required in order for your card to work
- The security seal on the ATM is broken

Whenever possible, use ATMs inside a location where it is difficult for scammers to tamper with the ATM. Also, make sure to check your bank statements often for any unauthorized activity and report suspicious charges immediately.
