Emergency Powers Update

California has seen an increase in COVID-19 related cases but continues to maintain some normalcy since it reopened on June 15, which is thanks in part to an increase in statewide vaccination rates. Governor Newsom has made the decision to continue his use of "emergency powers." The City will thus continue to monitor any State decisions that may potentially impact the City and its residents. Here are updates on some of these actions taken by the State and County.

The State-initiated program at the annex, formerly known as the California Youth Authority facility, is scheduled to come to an end by the end of this month. The Metropolitan State Hospital (MSH) had originally used this facility to temporarily house transitioning patients to its facilities, but the program was no longer

needed given the increase in vaccination rates. The City took several steps to work with the MSH to ensure that the community was not affected by this program.

The Project Homekey (PHK) site in Norwalk, located at the former Motel 6 on Rosecrans Avenue, will continue its operation. PHK is the State's plan to permanently house homeless residents. The property is owned by the County, and it is currently being used as a temporary shelter until the program is fully operational. The City negotiated with the County to transfer people from Norwalk's own homeless population off the streets and into this facility.

The City will continue to monitor any new developments regarding these issues and keep residents informed.

Chipotle is Now Open

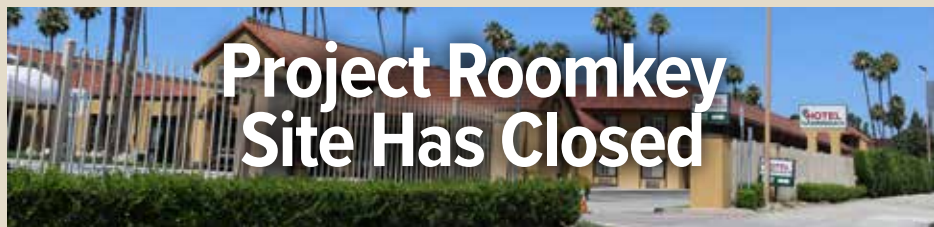

The anxiously anticipated opening of Chipotle at Norwalk Fitness Village was Sunday August 22. There was also an official ribbon cutting ceremony Wednesday, August 25 with the Mayor and members of City Council as well as the Norwalk Chamber of Commerce.

This location is unique as it is one of the first of its kind to feature a drive thru "Chipotlane" option. Chipotle is located at 12539 Imperial Highway, Ste 103 between Esporta Fitness and Panera Bread.

Project Roomkey Site Has Closed

On August 4, 2021, the City of Norwalk was informed that the Project Roomkey site at the Saddleback Hotel, located at 12500 Firestone Boulevard, was officially closed. The site in Norwalk had been operating since May 7, 2020. The County operated program transitioned all the participants out of the Norwalk hotel location to other shelters. As of August 31, 2021, the Saddleback Hotel has fully reopened and has resumed its operation as a hotel.

Project Roomkey was a State-initiated program that temporarily housed people experiencing homelessness who were not COVID-19 positive or symptomatic but were vulnerable to complications associated with the virus.

In April 2020, L.A. County targeted the Saddleback Hotel to house homeless people considered vulnerable to the COVID-19 virus under emergency powers. This decision to exercise these emergency powers

was made with no prior authorization from Norwalk officials.

The City Council voted unanimously in April 2020, to impose a temporary ban to prevent motel conversions for Project Roomkey without prior City approval. The County then sued the City and in April 2020, a judge issued a temporary restraining order directing the City to comply with the State. The City Council then unanimously passed an emergency ordinance in July 2020 that required any public agency to consult with the City prior to placing a homeless or COVID-19 facility in Norwalk.

The City of Norwalk has always been a willing participant in doing its fair share in its fight against homelessness. The City's own homelessness taskforce and HOPE team have directly contributed to the rapid decrease in the most recent homeless counts by the Los Angeles Homeless Services Authority.

City Council Approves Second HOPE Team

On August 17, 2021, the Norwalk City Council was presented with an assessment of the City of Norwalk's second Homeless Operation Prevention and Engagement (HOPE) team.

The City Council voted unanimously on June 15, 2021, to fund a second, full-time, HOPE team after directing the Public Safety Department to assess the value of adding a second team and determining that the addition of a second HOPE team would greatly benefit the City.

The HOPE team has been instrumental in cleaning up areas in the City where homeless individuals or encampments left large amounts of debris and trash. The team works with Social Services to help the homeless population obtain specialized assistance.

The HOPE team consists of a lieutenant, one Public Safety Officer, two maintenance workers, and a code compliance inspector that works with the team. Some of the HOPE team's duties include conducting outreach, educating the homeless on available services, and addressing resident and business concerns.

The creation of the HOPE team has taken some burden off Public Safety Officers and LASD deputies and freed them up to handle other types of service calls. However, the HOPE team only works Monday through Friday and in the daylight hours when service providers are accessible.

The addition of a second HOPE team will expand the team's coverage into the evening hours. The second HOPE team will work Wednesday through Sunday giving the City a dedicated homeless engagement team 7-days a week.

It's Time for Curb Address Painting

Every two years, the City selects an independent contractor to repaint the curb addresses citywide. Care for the Children (CFTC) has been selected to repaint curbs beginning in September.

Residents will receive a flyer from CFTC representatives informing them of painting procedures prior to the painting taking place. Once the painting is completed, CFTC will be soliciting voluntary donations which are tax deductible, however, residents are not required to give a donation for the work. For questions, please email the Engineering Division at engineering@norwalkca.gov or by telephone at 562-929-5723.

Please be advised that curb painters contracted with the City must always carry their identification badges and a copy of their City business license when painting addresses or soliciting donations. Report any unauthorized painting activity by calling the Public Safety Department at 562-929-5732 during the following hours: Monday – Friday from 7 a.m. to 10 p.m., Saturday from 10 a.m. to 10 p.m., and Sunday from 10 a.m. to 9 p.m. After these hours, please contact the Norwalk Sheriff's Station at 562-863-8711.

Get Help with Home Repair Costs

Is your roof leaking? Are your windows drafty? The City of Norwalk can help qualified households make needed home repairs. Assistance is available to Norwalk property owners who have owned and lived in the property for a minimum of 2 years and whose household income is within certain limits (see chart below). Homes must be owner-occupied, single family dwellings, including mobile homes and condominiums/townhomes, and tenant-occupied 1-4 unit rental properties*.

HOUSEHOLD SIZE	MAXIMUM INCOME
1 Person	\$66,250
2 Persons	\$75,700
3 Persons	\$85,150
4 Persons	\$94,600
5 Persons	\$102,200
6 Persons	\$109,750
7 Persons	\$117,350
8 Persons	\$124,900

*For rental properties, tenant income is used to establish eligibility for the program.

The following types of assistance are available depending upon income and other qualifications:

Grants • Rebates • Deferred Loans** • 0% Interest Loans**

** Only owner-occupied, single family dwellings are eligible for loans.

Measure M & R Funds at Work

Do You Have Vacancy?

Norwalk Housing Authority is here to help!

The Norwalk Housing Authority administers the federally funded Housing Choice Voucher Program. The program provides rental assistance to low-income residents. Here are some of the top financial advantages enjoyed by rental housing providers who rent to voucher tenants.

On-Time, Convenient Payments

The housing authority pays our portion of the rent on the 1st business day of the month. You may elect to have the payment direct deposited into your bank account.

Free Marketing

We will list your vacancy for free. By advertising with us, you will have access to a large pool of tenants that you screen for suitability for tenancy.

Competitive Rents

We strive to offer competitive rents, as long as comparable rents exist in the neighborhood, and the tenant's rent portion is affordable.

Protection from Tenant Financial Losses

When a voucher tenant's income decreases, the housing authority's rent portion increases to cover the loss of income. This provides the landlord and tenant with a valuable form of insurance against tenant income losses.

Incentive for Tenant Lease Compliance

To increase tenant compliance, we provide counseling to tenants who have received warnings from their landlords.

Safeguard Against Lost Rent During Eviction

Unfortunately, not every tenant will live up to their lease agreement and the landlord will be forced to evict. If this occurs with a voucher tenant, we will continue to pay the housing authority's share of the rent throughout the eviction process until the date the tenant moves out or is locked out by order of the court.

Contact Us

For more information, please call us at (562) 929-5588 or visit us on-line at

Prevention of Overcrowding

Throughout southern California, families are doubled or tripled up in small units in order to afford the rent. Overcrowding increases the landlord's utility costs, places additional wear and tear on the unit, and leads to conflicts. We restrict the number of individuals allowed in the subsidized unit, which eliminates the potential for overcrowding.

Owner Maintains Control

You continue to maintain control over all aspects of management, maintenance, and lease enforcement.

Other Benefits

By joining the Norwalk Housing Authority landlord community, you will receive informative newsletters and be invited to attend free educational workshops. You will also have a partner to help guide and assist you with your questions and concerns.

First-Time Homebuyer Program Community Workshop

The City of Norwalk is holding a First-Time Homebuyer Community Workshop to assist and provide more information to interested potential first-time homebuyers about the program.

ABOUT THE PROGRAM

The City Council of the City of Norwalk (City) has approved a First Time Homebuyer Program (FTHB Program) for Downpayment and Closing Costs Assistance to help low-income households buy their first home.

The City's investment of HOME funds will be limited to downpayment and closing costs assistance through no interest loans.

ABOUT THE COMMUNITY WORKSHOP

WHAT: This workshop is open to all community members of the City of Norwalk. We will review the program and how to apply for assistance. Realtors, lenders, escrow agents, and representatives from the City will be in attendance to answer any questions you may have.

WHEN: Saturday, October 9, 2021 from 9 a.m. to 12 p.m.

SPACE IS LIMITED

Call (562) 929-5951 for required reservation.

For more information please contact:
Housing & Neighborhood Development
(562) 929-5951 or CDBG_@norwalkca.gov

COMMUNITY SAFETY ZONE

National Preparedness Month

September is National Preparedness Month, where we raise awareness about the importance of being prepared for disasters and emergencies. Whether it's earthquakes, fires, severe heat, or pandemics, Southern California has a lot to prepare for. Here are some simple steps that you can take to help protect yourself and your loved ones in the event of a disaster.

• **Make a Plan** – Talk to your friends and family about how you will communicate in the event of a disaster. Discuss meeting places and establish an out of town contact that you can all check in with.

• **Build a Kit** – Gather supplies for everyone in your home (including pets) that will last for several days. Include food, water, a first aid kit, flashlights, and a battery-powered radio.

• **Be in the Know** – Find out what hazards are in your area, locate your gas and water shut-off valves, and check your insurance coverage for things like fire, flood, and earthquakes.

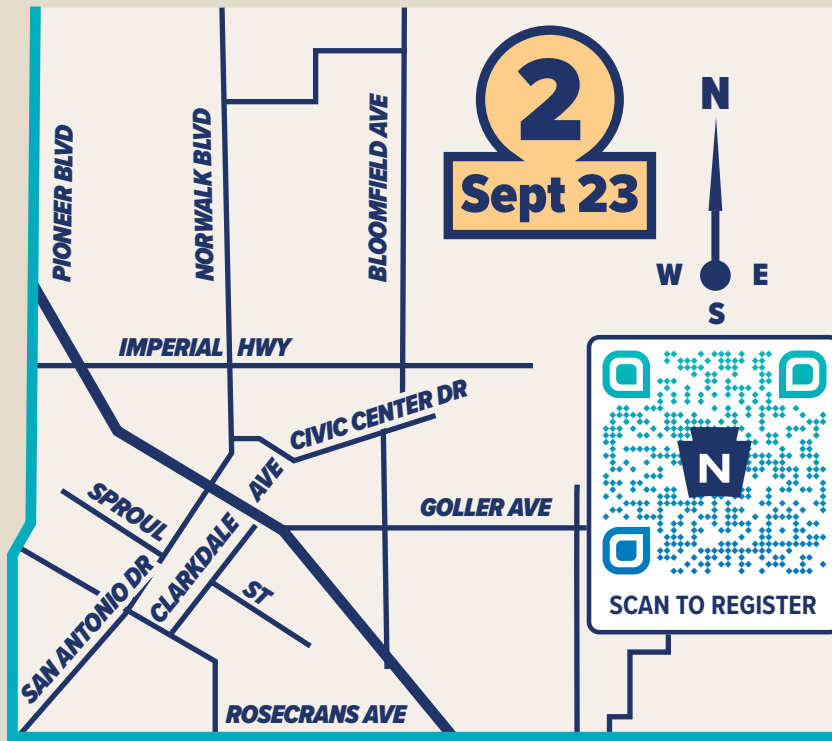

• **Get Connected** – Sign up for emergency notifications through the City's Nixle App. We'll alert you about major disasters, emergencies, and accidents that are happening in Norwalk. Simply text 90650 to the number 888777.

Virtual Neighborhood Watch: Quadrant 2

Please join us for our next installment of our Virtual Neighborhood Watch series on **Thursday, September 23 at 6 p.m.** This meeting will focus on the issues facing residents who reside in quadrant 2 (north east area) of the City, but all are welcome to join! To register please visit tinyurl.com/NorwalkQ2.

Back to School Pedestrian Safety Tips

This school year may look a little different compared to others but in-person classes have returned. With school back in session, it is likely that your families will be pedestrians operating in school zones at some point during the school year. Please follow these safety tips to help ensure everyone stays safe.

- Use the sidewalk whenever possible, and if there isn't a sidewalk, walk on the edge facing traffic as far from traffic as possible.
- Make sure you never play, push or shove others when you are walking near traffic.
- Be predictable. Follow the rules of the road and obey signs and signals.
- Keep alert at all times; don't be distracted by electronic devices that take your eyes (and ears) off the road.
- Whenever possible, cross streets at crosswalks or intersections, where drivers expect pedestrians. Look for cars and bikes in all directions, including those turning left or right.
- If a crosswalk or intersection is not available, locate an open area where you have the best view of traffic. Wait for a gap in traffic that allows enough time to cross safely; continue watching for traffic as you cross.
- Never assume a driver sees you. Make eye contact with drivers as they approach to make sure you are seen.
- Be visible at all times. Wear bright clothing during the day, and wear reflective materials or use a flashlight at night.
- Watch for cars entering or exiting driveways, or backing up in parking lots.
- Avoid alcohol and drugs when walking; they impair your abilities and your judgment.

National Night Out

On August 4, the City of Norwalk brought together the community with law enforcement agencies to celebrate National Night Out. The annual event was held in conjunction with the Summer Concert Series and featured entertainment by Soto. Festivities kicked off with the presentation of colors by the Public Safety Cadet Color Guard. City and Sheriff's Department leadership addressed the crowd, highlighting the importance of partnerships between residents and the law enforcement representatives that help, support, and protect them.

Families gathered on the lawn and enjoyed an evening of great music while interacting with local law enforcement, non-profit organization representatives, City staff, and public officials. Additionally, residents had the opportunity to learn about crime prevention strategies and the programs and services that are offered to help keep their neighborhoods safe and their communities strong.

Residents were also surprised with a giveaway of school uniforms, backpacks, and school supplies provided by the Social Services Department, Vernola Towing, and the Los Angeles County Sheriff's Department.

Residents were also surprised with a giveaway of school uniforms, backpacks, and school supplies provided by the Social Services Department, Vernola Towing, and the Los Angeles County Sheriff's Department.

\$99 - Norwalk Resident/\$149 - Non-Resident

All vehicle makes and models welcome

Please call 562-868-0035 to schedule an appointment.

Review Norwalk's New Local Hazard Mitigation Plan!

Starting in December 2020, the City of Norwalk began working on its very first Local Hazard Mitigation Plan (LHMP). The Plan will enable the City to use pre- and post-disaster financial assistance to reduce the risk of natural hazards to people who live and work in Norwalk.

The Draft Plan will be available for public review and comments beginning on Friday, September 10, and it will close at 5 p.m. on Friday, September 24. You can view the Draft Plan on the City's website during the review period: <https://tinyurl.com/HazMitPlan>

You can also join us for a virtual meeting on Thursday, September 16, at 6 p.m. to ask questions, learn more about the plan, and provide feedback. We look forward to seeing you!

Senior Center

14040 San Antonio Dr • 562-929-5580

Weekly Mental Health Support Group
 Every Monday • 2:00 – 2:45 p.m.
 Call-In Number: 1 (978) 990-5176

 Call (562) 929-5580 to reserve your spot.

Finance Honored

The Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to the City of Norwalk for its comprehensive annual financial report for the fiscal year that ended June 30, 2020.

The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. The City of Norwalk has received this prestigious award for 34 consecutive years.

Congratulations to our entire Finance team!

“How to” Corner!

Yard sale permits are available free of charge and currently only processed online, within two business days. Visit our website for more info!

Illegal Dumping

Illegal dumping is the disposal of unwanted trash and or bulky items in places that they do not belong. We want to encourage and remind residents to report illegal dumping in progress to our Public Safety Department by calling 562-929-5732. Unreported illegal dumping results in more unauthorized trash as violators identify an easy location to continue their dumping activity. This causes a cycle of illegal dumping, with unsightly trash, debris, and garbage making areas unpleasant, unsafe, and unhealthy. We want to eliminate the health and safety hazards associated with illegal dumping and we need the help of the entire community to contribute to this cause.

Call Athens to schedule a pick-up of any unwanted bulky items that you wish to dispose of, or to report any illegally dumped items in your neighborhood at 855-557-1007.

- TEEN PROGRAMMING -

TEEN CENTER

12305 Sproul St - 929-4260

Visit the Norwalk Teen Center and spend your afternoons doing fun activities and making new friends. The Teen Center is equipped with computers, internet access, a big screen television, pool table, and much more. Staff is ready to help keep you busy and entertained. Activities will include cooking, crafts, outdoor sports, and more. The Teen Center is located behind the Norwalk Arts & Sports Complex, near the Norwalk Skate Park and Aquatic Pavilion.

AGE	DAY	TIME	FEE
13-18	M-F	3-7 p.m.	FREE

Please Note: The Teen Center will be closed Sept 6.

DAY	DATES	TIME	AGE	FEE
Fri	Sept 10	7:30-10 p.m.	13-18	\$5

Teen Alliance Program "TAP"

Join TAP and learn valuable working skills, develop social skills, interpersonal skills, and gain a sense of accomplishment, all while giving back to your community. You will have opportunities to volunteer at City-wide special events and other activities in Norwalk. This is also a great way to serve volunteer hours for school or church. The Teen Alliance Program General Membership meetings are held on the first Wednesday of each month.
