

ART IN PUBLIC PLACES COMMISSION

The Art in Public Places Program was designed to present the community with a wide variety of artwork styles and themes for public enjoyment. The Art in Public Places Committee is tasked with reviewing art projects to ensure that the projects comply with all City Council criteria. Review may consist of the design, weather resistance, theme balance, verification of value, anticipated public response, proper lighting, public accessibility, installation methods, proportion, composition, the artist's previous experience, and training.
