Information Guide & Application

Spring heralds the season of renewal. For the City of Norwalk, beautification of our homes and businesses is an important part of this revitalization.

The commitment and continued efforts of citizens and local business owners to refresh and restore their residences and buildings are greatly appreciated by the City, as these projects not only increase property values and raise the quality of life for our community, they also contribute to Norwalk's appearance and help to put our fresh "face" forward.

The City of Norwalk Community Promotion Commission invites all residents and businesses to participate in the 2015 Home and Business Beautification Contest. First, second and third place winners will be chosen in four categories: Home Beautiful, Multi-Family Beautiful, Home Improvement and Business Appeal.

Contest winners will receive signage to display commemorating their award and will be recognized at a City Council meeting.

Application deadline is May 31.

The judging criteria are:

Home Beautiful. Creativity and neighborhood impact, overall general appearance, maintenance, and use of landscaping.

Multi-Family Dwellings. Multi-Family awards (open to apartment buildings, senior housing, and condominiums) are presented based upon units that show care and attention to maintenance and appearance. Owners, tenants and neighbors may make nominations.

Home Improvement. Painting, landscaping, driveway repairs, garage doors, awnings, additions and any exterior development may be used to determine the best improved home.

Business Appeal. Businesses will be judged on creativity, landscaping, general appearance, maintenance, and neighborhood impact.
