### Outgoing Mayor honored for year of accomplishments

## Beware of Telephone Scams

Be cautious when receiving phone calls from individuals claiming they are with utility companies, financial institutions, or the Internal Revenue Service (IRS). These callers may advise you that you owe money, are subject to having utilities disconnected, or that you have a refund due in order to trick you into providing private information or send them money. If you do not answer the phone, they usually leave an "urgent" message requesting that you call back.

Following are some tips to remember to avoid falling victim to phone scams:

- Do not provide or confirm personal information to callers when you have not initiated or requested the contact/phone call
- Companies will not demand immediate payment without first having sent you a bill
- Companies will not threaten to bring in local police or other law enforcement groups to have you arrested for not paying
- The IRS will not demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe
- If the caller is from a utility company, you may take his/her information down and contact your utility company on your own to confirm any charges or overdue account information

For more information, please visit the City website at: [norwalk.org/i-want-to/report-fraud](http://norwalk.org/i-want-to/report-fraud)

If you have any questions, please contact Norwalk Public Safety at (562) 929-5732 or the Norwalk Sheriff's Station at (562) 863-8711.

## The Multi-Agency Hawk Rescue of Norwalk

Thursday, March 12, proved to be a busy morning for Pat Duggan and Jesus Gonzalez of Norwalk's Public Services Department.

Los Angeles County staff needed the City's help in a wildlife rescue. Tangled in fishing wire, a hawk was unable to move, perched 30 feet high up in the branches of a Chinese Elm tree on the campus of Morrison Elementary School.

LA County Fire, LA County Animal Control

and SEAACA came together in a concerted rescue effort.

The challenge? LA County Fire's ladder truck was too big to fit under the tree. Fortunately, the City's aerial lift truck fit the bill, coming in at the right size and height to reach the hawk.

The entire rescue lasted approximately ten minutes, an intense period for those on hand. Once the SEAACA officers freed the bird from the fishing line, the hawk flew away apparently unharmed.

Job well done by all involved!

## "Coffee with a Cop"

Dozens in the Norwalk community turned out for the City's first "Coffee with a Cop" event at the Starbucks located off Firestone Boulevard and the 605 Freeway. Officers from the Los Angeles County Sheriff's

Department and Norwalk's Public Safety Department gathered to meet and interact with residents. The forum proved to be a great environment for conversation. With residents sometimes reluctant to approach a

deputy, with coffee in hand, the experience was more relaxed and opened the door for informative dialogue. Everything from traffic laws, homeless issues, and even personal travel experiences were discussed. Norwalk Public Safety at (562) 929-5732 for future "Coffee with a Cop" event information.

There are four categories: Home Beautiful, Multi-Family Beautiful, Home Improvement and Business Appeal. Contest winners will receive signage to display their award. They will also be recognized at a City Council meeting. The deadline to enter is May 31, 2015. Entry forms are available at all City facilities, online and on the city's Facebook page. ## Curb Address Painting Starting in April 2015

Every two years, the City selects an independent contractor to repaint the curb addresses City-wide. Care for the Children (CFC) has been selected to repaint curbs beginning in early April.

Residents will receive a flyer from CFC representatives informing them of curb painting procedures prior to the painting taking place. Once the painting is completed, CFC will be soliciting voluntary donations.

CFC representatives cannot make more than one solicitation per household.

The recommended donation is \$15; however, residents are not obligated to give any donation and can donate any amount they want.

All painting and solicitation activities can only take place between the hours of 7 a.m. and 8 p.m. Monday through Saturday.

No painting or solicitations are allowed on Sunday.

For more information or to report any issues or concerns with Care for the Children, please contact the Public Services Department at (562) 929-5511.

Please be advised all curb painters contracted with the City must always carry their identification badges and a copy of their City business license when painting addresses or soliciting donations. Please report any unauthorized painting activity by calling the Public Safety Department at (562) 929-5732 during the following hours: Monday - Friday from 7 a.m. to 10 p.m., Saturday from 8 a.m. to 10 p.m., and Sunday from 9 a.m. to 9 p.m. After these hours, please contact the Norwalk Sheriff's Station at (562) 863-8711.

## Cal Fire Planting Update

There has been a flurry of activity in the Public Services Tree Section with the Cal Fire Green Trees for the Golden State Program grant coming to an end. City staff planted 16 trees on Dinard Avenue in front of Ramona Head Start Pre-School and 16 trees at Ramona Park. Some of the pre-school students were able to observe City staff plant trees. Also, staff planted 34 trees on Excelsior Drive and Lefloss Avenue parkways adjacent to Glazier Elementary School.

In addition, staff planted 60 trees at Vista Verde Park, 44 trees at Holifield Park, 16 trees at Sara Mendez Park, and 14 trees at Lakeside Park. The newly installed trees at the City parks will increase the tree canopy at these locations and will provide much needed shade for the public.

## Permits are Required for Garage, Yard & Estate Sales

*Garage, yard, and estate sales are a great way to sell your used or unwanted household or personal items, furniture, tools, or clothing. Just remember to visit City Hall before the event to get your free permit.*

Each property is allowed two individual garage sales and one community yard sale per calendar year. Garage sales may be held for a maximum of two consecutive days. To obtain a permit, present a valid photo I.D. and a current utility bill with matching property address. If the property is rented, please bring your rental contract showing you are living at the property as well as the property owner or manager's name and telephone number.

Community yard sales are for residents living within a common geographical area such as a condominium/townhouse development, apartment complex, or residential street block. Only one permit is needed for a community yard sale and can be obtained after a map and a list of participating addresses have been provided.

For safety and aesthetics, yard sale signs may not be posted on telephone poles, traffic signals, street signs, street lights, city trees, or in the public right-of-way. Food or new items cannot be sold. Please be courteous to neighbors by removing all signs when the sale is not in progress. Garage sales can generate more vehicle and pedestrian traffic than normal, so be sure that vehicles are legally parked to avoid any safety issues. Also be sure to watch for neighborhood children who may be playing in the street while your sale is underway.

YARD SALE

For more information about holding a yard sale in Norwalk or to obtain your free permit, visit Community Development Department, Room 12, or Public Safety Department, Room 15. To report unpermitted garage sales, please call Community Development at (562) 929-5730 or Public Safety at (562) 929-5732.

## Bottles and Cans Yield Cash

Californians bought more than 21 billion CRV-eligible drinks in recyclable containers in 2013. More than 18.2 billion of those containers were recycled, saving natural resources, conserving energy, extending the life of our landfills, and helping to reduce emissions of harmful greenhouse gases.

Consumers pay California Redemption Value (CRV) when they purchase beverages from a retailer, and receive CRV refunds when they redeem the containers at a recycling center. Most beverages packaged in aluminum, glass, plastic and bi-metal containers are eligible for CRV. Notable exceptions

are milk, wine and distilled spirits, which are not included in the CRV program. CRV is 5 cents for each beverage container less than 24 ounces and 10 cents for each container 24 ounces or greater.

By law, you can bring up to 50 aluminum, 50 glass, 50 plastic, and 50 bi-metal California Redemption Value (CRV) containers in a single visit and request to be paid by count. You will be paid the full CRV redemption of 5 cents or 10 cents on each container. Inform the site attendant of your load content and how you would like to receive payment before you hand over your load.

For more information, or to find a recycling center near you, go to:
