

Los Angeles to Anaheim Project Section Community Open House Meetings October 15-28, 2015

Please join us at one of the upcoming Community Open House Meetings.

The California High-Speed Rail Authority's (Authority) Los Angeles to Anaheim Project Section will connect Los Angeles and Orange counties with high-speed rail traveling from Los Angeles Union Station to Anaheim Regional Transportation Intermodal Center (ARTIC), along the existing Los Angeles-San Diego-San Luis Obispo (LOSSAN) rail corridor currently used by commuter, regional and freight rail providers (Metrolink, AMTRAK and BNSF).
