MEMORANDUM

TO: Honorable Mayor and City Council

FROM: Michael J. Egan, City Manager

SUBJECT: 2013-2014 Fiscal Year Budget

DATE: June 18, 2013

I am pleased to submit the Fiscal Year 2013-2014 Norwalk Municipal Budget. After thorough review of management's proposed budget and Council amendments, the general fund budget is balanced with operational expenses held within projected revenues. Over the past few years the City has had the opportunity to accrue funds into capital accounts for various purposes including facility renovation, computer and equipment replacement, vehicle replacement and Sports Complex equipment replacement. Those funds have increased in the current fiscal year due to one-time revenues from redevelopment dissolution and settlement of the Property Tax Administrative Fee lawsuit against the County. This budget uses a portion of those reserve funds to address pressing facility and equipment needs.

In the current year and projected year ahead, we see the economy is continuing to recover, albeit slowly. Consumer confidence is at its highest point since July, 2007 according to the Thomson Reuters/University of Michigan preliminary index of consumer sentiment. However a new report by the Federal Reserve indicates that Americans have replaced less than half the wealth lost during the great recession, leaving them without the spending power to fuel a truly robust recovery. Most of the improvement in the economy has been from increases in the stock market, mainly benefitting the wealthy. The recovery for average income households is considerably weaker. It is fueled mostly by Federal Reserve Policy of stimulating historically low interest rates. Essentially the recovery is "propped up" by policy activities rather than a natural rebound.

All of this contributes to our outlook of very cautious optimism. While revenues have recovered over the past two years they are not quite to their peak in 2007-2008 in raw dollars alone. When factoring in inflation, the recovery is even less positive.

For the coming fiscal year we have recommended a restructuring of our executive management team. We have eliminated the Assistant City Manager position and reassigned duties throughout the rest of the team. This essentially flattens the organization structure and requires Directors to be more independent and accountable. I am confident they are more than up to the task. To assist me with managing the organization we have elevated two Deputy City Managers. These individuals will continue to manage their own Departments while taking on the additional duties of supporting other departments. A new Organization Chart has been presented. We also have elevated the Community Development Director who will be assuming all of the economic development duties of the City. With these changes we will realize a significant savings which can be appropriated into other priorities.

This budget includes additional hours in the Recreation Department to increase staffing at the City's parks. In response to the recession we cut back park staffing dramatically. We believe that while saving the City money it has led to us not having as effective control of our parks as we would like. The new plan will place at least two staff members at each park during operational hours. That will ensure the staff can operate safely, provide positive recreation for community members and control park activities. We look at this as an investment not only in recreation but community safety.

The budget contains new expenses in environmental programs, notably compliance with the new LA Region Storm water Permit. The new expenditures are modest as they only address development of required plans to control polluted runoff. Significant costs are expected in out years to actually implement the required plan. There remains no funding for this state mandate, but is entirely the burden of the City to comply. Failure to comply will result in significant fines from the Regional Board or lawsuits from third parties.

Another state mandate also heavily impacts this budget. In 2006 the State required cities to develop a Sewer System Management Plan and further to certify that funding is in place to adequately repair and replace our aging sewer system. Planning and system assessments have been undertaken for the past few years culminating with the implementation of a sewer fee to connected parcels to ensure the long term viability of the system. The City has operated without a sewer fee for many decades, essentially wholly subsidizing the service provided to property owners to transport waste to sanitation services. The effect of the new fee will be to ensure a higher level, though necessary level of routine maintenance and to raise funds for replacement of this critical aging infrastructure.

These two items, storm water pollution control and sewer maintenance highlight two themes that will be major drivers for the budget for the foreseeable future. The first theme is environmental regulation. The State of California is aggressively at the forefront of environmental regulation. These regulations will have significant price tags but more pertinent is that we will soon require internal environmental technical capacity within our staff. Much of the environmental regulatory scheme has been directed at compliance from cities. Few cities have the technical expertise on staff to address the regulatory workload. We will need to move in this direction very soon. The second theme is aging infrastructure. Our sewer system is just one example of an overall unfunded liability. With a sewer fee in place we will be able to address the long term maintenance and capital replacement needs of the system. Other infrastructure needs remain underfunded. Probably the most pressing is local road repair. Mainly that pertains to roads in residential neighborhoods. State Gas Tax funds and County transportation measures fund much of the major arterial work that is required. We will need a plan and to begin to set aside funds for local street repair.

We continue to manage a significant capital improvement program, including not only general City programs, but projects related to the I-5 freeway construction. With that project fully underway, the demand on our staff resources to be responsive to community concerns is greater than we even anticipated. We knew it would be challenging but we find ourselves dealing with issues that should be handled by Caltrans or their contractor. We have experienced a number of situations in which the contractors are not securing construction zones, have poor dust and debris control, have poorly signed detour information, have understated construction impacts to neighboring residents and other issues. We will continue to be responsive to our residents and businesses but we need to recognize the demand on our resources will continue through the life of this project.

A major bright spot in budget performance has been that of the Transit Department. Hit very hard by the economic downturn they were operating a significant deficit. With the latest plan including reductions in program and transition to CNG fuel the Department is on track to eliminate the deficit much faster than anticipated. There is no doubt this has been a major challenge for the department but it needs to be acknowledged as a job very well done.

A considerable challenge as everyone knows is the loss of Redevelopment. Redevelopment gave communities express authority and tools to address local economic development. With its elimination comes the challenge of how to support the development of the local economy. Norwalk is formally a "no tax" city. This means we incorporated without a property tax. In 1989, due to state legislation, we and other no-low tax cities began receiving a small share of property tax. We receive roughly 6.5% of the general 1% property tax levy. This means we are highly dependent on sales tax and we need to focus on maintaining a healthy environment for such tax producing businesses. Without defined tools such as Redevelopment,

the path forward is largely unknown. As part of our reorganization however, we have structured the organization to begin to develop a new plan forward. We are confident we can develop a program that will work for us.

The state, while balancing its operating budget for the first time in years, has issues with debt and unfunded liabilities. We all know the challenges PERS faces in meeting its long term obligations. STRS (State Teachers Retirement System), which funds retirement for public education employees, has a much bigger and growing problem. PERS is able to adjust the annual contribution requirement from employers to make up for underperformance in investments. The employer rate for STRS is set by the legislature and the legislature has declined to make any change which is resulting in a growing deficit in long term capacity to pay promised retirement benefits. That likely indicates the state will continue to disregard local financial challenges for the immediate future. Actually it is more likely to ensure the state will continue to burden local governments with paying for state priorities going forward.

Once again, this budget represents a very prudent spending plan. Your executive team and staff continue to focus on efficiencies while seeking to improve service to the community. Tonight we are also presenting you the first public draft of the new Strategic Plan. After input from the Council and community, the document will be finalized and adopted by the Council. This will represent the culmination of a year's worth of organizational effort to set the organization's collective direction over the next five years. We have faced major economic challenges in the past five years. If the economy continues to improve we will get some relief going forward. But undoubtedly challenges are ahead of us. Thinking and acting strategically, with a collective vision defining our future, is the best way for us to meet those challenges. We look forward to working with you to make Norwalk better today and better in the future.

MAYOR & COUNCIL

ACTIVITIES AND OBJECTIVES

Description of Activities

The City Council is a five-member board elected to represent the residents of Norwalk. The City Council meets on the first and third Tuesday of each month and conducts special meetings as needed. At these public meetings, the City Council makes policy determinations; approves agreements and contracts; adopts ordinances (local laws) and regulations; and authorizes all expenditures of City funds. In addition, the City Council reviews and adopts an annual City Budget. The City Council also develops and maintains significant intergovernmental relations with other local, state, and federal agencies in order to ensure the economic vitality of Norwalk.

The City Council also serves as the Board of Directors of the Norwalk Successor Agency.

PARKS AND RECREATION COMMISSION

ACTIVITIES AND OBJECTIVES

Description of Activities

The Parks and Recreation Commission serves as an advisory body to the City Council. The commission provides input from the community regarding the programs, activities and issues relating to recreation, cultural arts, and overall community events.

Fiscal Year 2013-2014 Objectives

To assist the Recreation and Park Services Department with Citywide events and other activities and programs.

The Commission currently conducts the Phone Home program during the night of the Halloween Festival. Our resident youth have an opportunity to receive prizes including a grand prize of a brand new bike. Local youth need to be home by 9:30 p.m. for an opportunity to win prizes. The goal is to get youth off the street at a decent hour and to reduce the amount of graffiti, and vandalism which happens on Halloween night.

The Commission would also like to add three more events to their list. They would like to offer four activities/programs a year to the community. They are looking to add a pool party, an overnight campout and a Norwalk talent show.

MANAGEMENT SERVICES

ACTIVITIES AND OBJECTIVES

Description of Activities

Management Services is a division of the Administration Department responsible for a variety of support functions, including special projects as directed by the City Manager. The Division's ongoing responsibilities include: strategic planning related to the citywide water delivery system; integrated waste management, including compliance with the California Integrated Waste Management Act of 1989 (AB 939) - recycling requirements; development of strategies to address contaminated properties located within and adjacent to the City of Norwalk; monitoring of state and national legislative issues; and coordination of communications with Federal, State, and County agencies with facilities in Norwalk. Management Services also assists other City departments in the completion of special projects and provides staff support to the Arts in Public Places Committee and community boards, such as the Norwalk Restoration Advisory Board.

Fiscal Year 2013-2014 Objectives

Continue to develop working relationships with offices of the City's state and federal representatives.

Work with the Department of Defense and other related agencies who provide for the conveyance of the Defense Fuel Support Point (DFSP), Norwalk (Tank Farm) to the City of Norwalk.

Remain involved in monitoring the ongoing remediation activities at DFSP, Norwalk, to ensure that restoration of the site proceeds in a responsible manner.

Continue efforts to secure federal and state funding for water infrastructure improvement projects.

Continue efforts to comply with AB 939, including monitoring progress of recycling collection programs and working with haulers to increase diversion.

Provide special project assistance to the City Manager and Council as needed.

Provide strategic planning and administrative responsibilities for the Norwalk Municipal Water System (NMWS)

Continue regional involvement in water related organizations to monitor activities impacting municipal water systems.

COMMUNICATIONS AND PUBLIC AFFAIRS

ACTIVITIES AND OBJECTIVES

Description of Activities

Communications and Public Affairs is the mechanism utilized by the City of Norwalk to distribute important information and materials to the public. The Communications and Public Affairs staff is responsible for operating the Community Information Center and ensuring that it remains the City's central information source. It oversees website development and Cable TV operations. Staff publicizes City events, programs, activities and services, develops press releases and a variety of written materials, as well as management of the electronic marquee located at the City Hall lawn. The Communications and Public Affairs prepares proclamations and special awards for individuals and community groups, as well as coordinates a variety of special information materials for the City including the *Norwalk Now* and *Business Report*. The staff works closely with the Community Promotion Commission to put together programs such as the Home and Business Beautification Program. The Communications and Public Affairs Division cultivates positive relationships with residents, businesses, organizations, and visitors to increase community engagement and participation. In addition, staff assists in preparing position statements, white papers, annual reports, and other official communications; establishes and executes City's overall marketing and branding strategy.

Fiscal Year 2013-2014 Objectives

Consistently distribute timely and relevant information to the public promoting health, welfare, safety, and meaningful opportunities that enrich the quality of life for Norwalk residents.

Refresh, redesign, and realign the City's website to include online payment options, resident surveys, and interactive forms,

Enact aggressive media relations program to include weekly media alerts, story pitches, Op-eds, newswire submissions, and calendar listings.

Bolster the City's social media presence by enhancing Norwalk's Facebook page, and adding Twitter, Instagram, and Yelp for integrated cross-platforming.

Assess and refresh City's overall visual identity and branding materials including logo, motto, graphics, signage, and collateral.

Promote the positive image of Norwalk utilizing a variety of tactics including citizen engagement, print and electronic materials, website, social media, special events and media relations.

Refresh the City's Newsletter, *Norwalk Now*, increase annual issues from 8 to 12, and include special *Norwalk Now* inserts as needed.

Merge the Norwalk Business Report into Norwalk Now to connect businesses and residents, widen audience reach, and realize cost savings.

Plan and promote special events that excite, engage, and involve greater participation among residents.

Revamp cable TV operations to better serve the public and establish a City of Norwalk YouTube channel.

Provide helpful resources to residents of Norwalk relating to information on civic and community affairs.

Develop plan for comprehensive internal communications.

CABLE TELEVISION PRODUCTION

ACTIVITIES AND OBJECTIVES

Description of Activities

Cable Television Production, which is overseen by the Administration Department - Communications and Public Affairs Division, provides digital cable coverage of City Council and Planning Commission meetings. The meetings and other government programming air on Channel 03, the local government access channel. Cable television staff also coordinates and schedules programming for the public access channel, Channel 32. The Department produces informational and promotional programming throughout the year in conjunction with City events and services.

CITY CLERK

ACTIVITIES AND OBJECTIVES

Our Mission: To ethically and impartially preserve and maintain the legislative record, provide public information, and administer municipal elections

Description of Activities

The City Clerk is the local official who administers democratic processes, such as elections, access to city records and all legislative actions, ensuring transparency to the public. The City Clerk acts as a compliance officer for federal, state, and local statutes, including the Political Reform Act, the Brown Act, and the Public Records Act. The City Clerk's Department functions as a liaison to all other City Departments to facilitate City Council direction.

The Department is responsible for preparation of agendas and minutes for meetings of the City Council, Successor Agency to the Norwalk Redevelopment Agency, Oversight Board for the Successor Agency to the Norwalk Redevelopment Agency, Housing Authority, and Norwalk Community Facilities Financing Authority; and ensures completion of actions directed. The Department manages requests for public record information, certifies and distributes ordinances, resolutions, and other documents as appropriate and/or legally required, and manages contract execution and compliance with insurance requirements. The City's records management program is the responsibility of the City Clerk's Department including maintenance of central and legal files on- and off-site, and operation of the optical imaging/document management system. The Department publishes, mails, and posts legal notices, manages claims and lawsuits, and is responsible for the maintenance and distribution of the Norwalk Municipal Code. Pursuant to the Political Reform Act, the City Clerk serves as filing officer/official for Campaign Expenditure Statements filed by candidates in municipal elections and Statements of Economic Interests filed by public officials and designated employees. The City Clerk is responsible for the conduct of all municipal elections, and provides assistance to the Los Angeles County Registrar-Recorder with voter registration. The Department maintains rosters, agendas, minutes, attendance records, applications and oaths for the City's Advisory Bodies. Other City Clerk Department functions include management of the City's MIS division, management of the City's Arts in Public Places Program, execution of other vital documents, coordination of citywide duplication and mail services, and overseeing the main City Hall switchboard.

Fiscal Year 2013-2014 Objectives

- Continue monitoring legislation beneficial to the City and working with the California City Clerk's Association when necessary on such legislation.
- Records Management: Continued conversion project for optical imaging/document management system. Review and update of records management schedule by department. Continue implementation of citywide records management program including procedures and forms for off-site storage and scheduled destruction. Plan and implement citywide "document destruction day(s)".
- Norwalk Municipal Code: Maintain the NMC with regular updates to the codifier and supplements.
- General: Provide information to City Council, City departments and the public efficiently and courteously.

MANAGEMENT INFORMATION SYSTEMS

ACTIVITIES AND OBJECTIVES

Description of Activities

The City's computer network consists of approximately 275 individual workstations connected through a complex network of servers and telecommunications systems.

Fiscal Year 2013-2014 Objectives

Implement web based business applications, such as, Recreation sign-ups, Building Permit and Business License applications, and others as the need arises.

Complete conversion of Liberty Document Management System to OnBase and expand access as appropriate.

Work with Transportation Department regarding expanded needs.

Oversee wifi expansion.

HUMAN RESOURCES

ACTIVITIES AND OBJECTIVES

Description of Activities

To administer the City's Human Resources program by developing and maintaining sound practices and procedures; providing advice and assistance to other line departments relative to personnel matters; maintaining the City's classification and compensation plan; conducting recruitment and selection activities; providing new employee orientation and job-related training; conducting labor relations activities including employee discipline matters, employer/employee negotiations, and administering the provisions of the collective bargaining agreement; administering employee benefits programs; administering the employee performance evaluation system; maintaining employee records; administering the City's risk management program by providing general liability and workers' compensation claims management and risk identification; administering the employee's awards program; coordinating disability legislation compliance; and coordinating the city-wide safety program.

Fiscal Year 2013-2014 Objectives

To assess and implement necessary changes to the City's risk management program and related functions.

To effectively administer the provisions of the agreed upon labor agreements between the City and its bargaining units.

To continue improvements to operations and increase efficiency through the implementation of better business practices.

To coordinate the efforts of City staff to manage disability accommodations for employees with permanent work restrictions, up to and including applying for disability retirement when appropriate.

To provide high-quality citywide training programs and administer internal first-line supervisory training.

To maintain and enhance communications with and between employee bargaining units, management and employees.

To continue to reduce frequency and severity of on-the-job injuries, work-hours lost, and exposure to financial loss by identifying risks, closely monitoring workers' compensation claims, and expanding the city-wide safety program.

FINANCE

ACTIVITIES AND OBJECTIVES

Description of Activities

To maintain the financial system and records of the City consistent with highest professional standards in accordance with legal requirements and generally accepted accounting principles. To provide projection of City revenues and assist in the preparation, review, and approval of the City annual budget. To manage collection of City revenues in a most effective and efficient manner. To administer the Investment Portfolio of the City in a manner consistent with sound, prudent, intelligent, and conservative financial practices and investment policies. To maintain the accounting records of all grants funded through various Federal, State and local agencies. To provide for the issuance of dog licenses and collection of license fees to defray the cost of animal shelter care. To provide computer support to the various City departments. To provide citywide purchasing, warehousing, telecommunication services, and computer network systems. The Purchasing Division procures all equipment, supplies, and services, using integrity and prudence in obtaining the lowest cost commensurate with quality needed.

Fiscal Year 2013-2014 Objectives

Assure completion and adoption of balanced annual City budget by June 30

Prepare Comprehensive Annual Financial Report (CAFR) in compliance with audit standards

Continue quarterly financial reporting

Full canvass of the Animal licenses

Implement on-line requisition processing and time entry modules for Pentamation

Implement Strategic Plan Objectives planned for the year one implementation

PUBLIC SAFETY

ACTIVITIES AND OBJECTIVES

Description of Activities

The Department of Public Safety administers law enforcement services provided by the Los Angeles County Sheriff's Department in addition to serving as the City's liaison. The Department provides a variety of supplemental services to enhance the safety and welfare of the community through routine and special preventive patrol services, parking enforcement, emergency preparedness, Community Safety Partnership programs, school safety programs, and other services as needed in order to address various quality of life issues. In addition, the Department coordinates the City's various youth crime, gang, and drug prevention and intervention programs. The Department will maintain collaborative partnerships and networking links between the City, law enforcement, probation, parole, courts, the District Attorney's office and local school districts. The Public Safety Department focuses its efforts on enhancing, educating, and responding to the community.

Fiscal Year 2013-2014 Objectives

The Department of Public Safety is committed to administering the vision and strategies outlined in the Norwalk Strategic Plan and will demonstrate its commitment by developing and implementing a highly visible community oriented policing program for the current budget year.

In order to reach the aforementioned goal, the following objectives will be achieved:

- The application of innovative law enforcement and public safety services
- The provision of emergency preparedness information to residents in order to promote self sufficiency in the event of disaster
- The utilization of technology and social media to ensure community is up to date with current events and public safety alerts
- The development of stronger interdepartmental collaboration in order to bring city services together
- The continuance of communications and coordination with law enforcement agencies resulting in enhanced delivery of public safety services to the citizens of Norwalk
- The continuance of providing a safe community environment in order to maintain a high quality of life
- The continuance of maintaining cooperation and support from the community to collectively address public safety concerns
- The continuance of effective networking efforts with school districts and other social service agencies in working with youth and their families to prevent substance abuse, street gang involvement, and increase school attendance
- The continuance in developing successful partnerships and networking in the areas of crime prevention and reduction
- The continuance of involvement in all design review processes to ensure a safe physical environment in all real developments in the City of Norwalk

PUBLIC SERVICES

Administration

ACTIVITIES AND OBJECTIVES

Description of Activities

Public Services Administration oversees and directs a variety of maintenance services on publicly owned properties and right-of-ways, maintains the cleanliness and positive image of the City, and provides a safe physical environment for the public. Additional services provided under the guidance of the Administrative staff includes maintenance of facilities, streets and sidewalks, signals and safety lights, traffic signs and legends, street sweeping, water, trees, greenscape, sewers, graffiti, and emergency maintenance services.

Public Services Administration is also responsible for training and managing skilled and semi-skilled personnel, maintaining a large fleet of specialized equipment required to be responsive to community needs, and assisting residents with public service resource referrals.

Fiscal Year 2013-2014 Objectives

To continue providing a well-respected, motivated, customer oriented, and highly responsive Public Services Department.

To maintain compliance with current regulations and requirements at local, State and Federal levels.

To continue researching and implementing/upgrading energy efficient technologies to reduce expenses while improving operational efficiencies.

To continue providing customer surveys to residents/business in an effort to evaluate and improve customer service.

To continue developing and improving Emergency Preparedness activities for Public Services Department.

To continue developing and overseeing infrastructure improvement programs.

To continue providing detailed employee evaluations including recommendations for worker growth and development.

To increase and improve technical education and safety training Department-wide.

To continue proactive community outreach by utilizing the City website, Norwalk NOW, Cable Channel, and email to keep Norwalk residents informed of Public Services projects and activities.

PUBLIC SERVICES
Security & Emergency Duty
ACTIVITIES AND OBJECTIVES

Description of Activities

The Security & Emergency Duty Section provides after hours emergency duty services City-wide.

Fiscal Year 2013-2014 Objectives

To continue providing an efficient, responsive, cost-effective, and professional emergency response system in the most cost effective manner.

To continue monthly and annual training for Public Services and Parks emergency staff responders in order to appropriately respond to any situation in the safest and most efficient manner.

To continue to update and revise the Emergency Duty manual provided to staff.

To provide ongoing procedural information to Public Safety, Norwalk Sheriff Station, and other City facility staff for contacts during emergencies.

MR. SUN PROGRAM

ACTIVITIES AND OBJECTIVES

Description of Activities

The Mini Mr. SUN Program is a neighborhood clean-up program, scheduled throughout the year at various specified areas of the community at no cost to the residents. The City will provide various services to assist residents with the opportunity to clean up their properties and neighborhoods. Services include self-serve dumpsters for disposal of trash, tree clippings, furniture, etc. Large item pick-up. Disposal of used motor oils. Dates and times of these events will be scheduled throughout the year and publicized in the specific designated neighborhoods.

Budget Program: Public Services - Mr. SUN Program, 3103

PUBLIC SERVICES

Facilities Maintenance

ACTIVITIES AND OBJECTIVES

Description of Activities

The Facilities Maintenance Section is responsible for the maintenance of buildings, hardscape and softscape on municipally-owned facilities and grounds City-wide. The Section responsibilities include installations, reconstructions, repairs, and maintenance at the following City facilities: City Hall, Public Services/Transportation Center, Metrolink Station, Social Services Center, Senior Center, Civic Center Parking Structure, and the Public Safety Substation. Areas of concentration include plumbing, heating, electrical, air conditioning, carpentry, custodial, and general maintenance and assistance.

Fiscal Year 2013-2014 Objectives

To provide superior customer service relations at all facilities.

To continue an employee cross training program for Facilities Maintenance employees.

To provide upgraded, proactive, cost-effective, and responsive facility maintenance at all City-owned facilities.

To continue providing improved energy efficient systems at all City facilities, via replacement of old parts/equipment with greener technologies, including implementation of new lighting technologies in facility parking lots to reduce energy consumption/costs.

To continue completing necessary building repairs as identified through daily inspections, such as electrical and painting.

To continue identifying projects for future Capital Improvement programming, such as slurry sealing parking lots and HVAC replacements.

To replace multi-purpose flooring in various locations throughout City Hall with new vinyl flooring.

To replace the deteriorated heating and air conditioning enclosure on the Social Services roof.

PUBLIC SERVICES
Civic Center Parking Structure
ACTIVITIES AND OBJECTIVES

Description of Activities

The Norwalk Civic Center Parking Structure provides parking facilities for visitors and employees of the Los Angeles County Courthouse, and patrons of the Norwalk Civic Center and Norwalk Entertainment Center. The tri-level structure has 1,019 parking spaces providing easily accessible and safe parking for visitors to the Norwalk Civic Center area. Management services for the Parking Structure, including booth/facility staffing, power sweeping, and landscaping are provided by private management companies.

Fiscal Year 2013-2014 Objectives

To continue quality/proactive maintenance throughout the facility.

To continue providing efficient facility management.

To provide safe parking for Civic Center/Entertainment Center patrons.

To provide an efficient parking payment method operation and continue reviewing rates and cost efficiencies for adjustments as necessary.

Funded by Parking Structure Revenues (Fund 243)

PUBLIC SERVICES

Norwalk/Santa Fe Springs Transportation Center ACTIVITIES AND OBJECTIVES

Description of Activities

The City of Norwalk, as the lead agency for the Norwalk/Santa Fe Springs Transportation Center, will operate the facility in conjunction with the City of Santa Fe Springs. Costs for maintenance and operation of the Transportation Center are shared equally between the two cities.

The Transportation Center serves the business community and public agencies in providing alternative means of transportation for residents of Norwalk and neighboring communities. The Norwalk/Santa Fe Springs Transportation Center continues to serve as a key link in the regional transportation system.

Fiscal Year 2013-2014 Objectives

To continue quality/proactive maintenance throughout the facility.

To provide a safe and clean parking location for Transportation Center users, and continue providing security services through the Norwalk Department of Public Safety.

To work with surrounding Cities to provide business and public agencies with a convenient transportation alternative for employees.

To continue monitoring and implementing maintenance upgrades in an effort to improve the overall appearance of the Center.

To continue coordinating with Norwalk Transit to identify upcoming/planned physical and infrastructure changes to the Center for improved accessibility.

Funded by Proposition C Entitlement (Fund 227)

PUBLIC SERVICES

Street Maintenance

ACTIVITIES AND OBJECTIVES

Description of Activities

The Street Maintenance Section is responsible for maintaining 187 miles of asphalt pavement and 400 miles of sidewalks City-wide. The Section prepares designated streets for slurry and overlay utilizing several repair methods, and maintains 220,000 square feet of drainage, 11,250 square feet of culverts, 5,700 linear feet of dead-ends and cul-de-sacs, and 306,825 square feet of City owned lots, hillsides, parkways and commercial sidewalks. Additionally, this Section maintains trash receptacles at various locations City-wide.

Fiscal Year 2013-2014 Objectives

To correct damaged asphalt prior to street improvement projects City-wide.

To continue to repair damaged street and alley conditions causing hazardous road situations utilizing in-house resources and equipment.

To continue coordinating with the Engineering Department to report on deteriorating City-wide street and alley conditions for future Capital Improvement project planning.

To continue repair of damaged sidewalks City-wide in a timely and efficient manner, as soon as hazards are reported or identified/observed.

To continue to maintain cleanliness of sidewalks, bus benches, and trash receptacles at all bus stop locations City-wide, via oversight of contractor performance.

To remove illegally dumped items from the City's right-of-way/alleyways, where causing hazardous situations and/or obstructing traffic.

To complete replacement of damaged concrete center medians City-wide.

Partially funded from Gas Tax (Fund 204), Measure R (228) & Traffic Congestion Relief Fund (Fund 226)

Traffic Maintenance

ACTIVITIES AND OBJECTIVES

Description of Activities

The Traffic Maintenance Section maintains 180 miles of street painting at over 5,600 locations. The Section maintains approximately 45,000 regulatory signs, 300 barricade/guard rails, and other traffic devices such as reflectors, bottle dots, and parking bumper stops. In addition, the Section paints parking lots at the Social Service Center, Senior Citizens Center, Alondra Library, City Hall, Transportation Center, Parking Structure, and City parks, while also painting center lines on all major arterial streets and many collector streets. The Traffic Maintenance Section also installs, cleans, and maintains all City seasonal and community banners on display in the medians and City facility parking lots.

Fiscal Year 2013-2014 Objectives

To respond within 24 hours to all signs knocked down by auto accidents or vandalism.

To repaint existing painted traffic legends that have been removed due to wear, and in conjunction with street improvement programs.

To continue replacement of painted crosswalks with thermoplastic material.

To maintain all existing sign and banner inventory on all major thoroughfares.

To continue upgrade of neighborhood sign inventory City-wide.

To restripe all City parking lot locations.

To restripe all major roadways on an annual basis, through use of contractors and in-house resources.

To maintain compliance with recent and upcoming MUTCD regulation changes related to street name signs and retroreflectivity standards.

To continue new tracking system for the replacement of signs, striping, and crosswalk/curb/legend painting City-wide.

To continue replacement of deteriorated/damaged regulatory, parking, and warning signs in and around neighborhoods City-wide.

Partially funded by State Gasoline Taxes (Fund 204)

PUBLIC SERVICES

Signals & Street Lighting

ACTIVITIES AND OBJECTIVES

Description of Activities

The Signals & Street Lighting Section maintains 81 signalized intersections (includes three Pedestrian signals), 1 fire pre-emption signal (Norwalk x Adoree), 3 flashing beacons (Firestone, west of 5 freeway; Alondra, west of Excelsior; and Bloomfield, south of Markdale), and 276 safety lighting fixtures City-wide. This Section also has an in-house repair program in which signals and safety lighting equipment is rebuilt. Additional responsibilities include the maintenance of lights on park grounds, assistance with all electrical installations and retrofits, and maintenance of all illuminated street name signs. Also, this Section provides 24 hour emergency service response for signal outages.

Fiscal Year 2013-2014 Objectives

To inspect, monitor and adjust all signalized intersections & beacons and continue providing preventative maintenance monthly.

To maintain replacement of light emitting diodes (LED's) City-wide as needed.

To evaluate the first year of energy savings from the replacement of safety lights, from High Pressure Sodium to energy efficient LED fixtures.

To continue monthly nighttime signal, street light, and safety light inspections.

To continue proactive communications with Southern California Edison and Caltrans to address deficiencies to their agency owned lighting and/or signal infrastructure.

To continue providing weekly exterior cleaning and maintenance of all signal cabinets.

To continue cost recovery efforts for damaged signal poles/equipment caused by traffic accidents and/or electrical malfunctions caused by service providers.

To continue full utilization of the Centrac's traffic signal management center (installed fall 2012), that monitors and controls 53 of the City's signalized intersections.

To continue collaboration with Caltrans on I-5 Corridor Project regarding signal synchronization and timing of intersections.

PUBLIC SERVICES
Graffiti Removal
ACTIVITIES AND OBJECTIVES

Description of Activities

The Graffiti Removal Section is responsible for the removal of graffiti on all City facilities and buildings, medians, light poles, signal poles, traffic signs, etc., City-wide. Graffiti removal is accomplished using sandblasting, waterblasting, painting or by applying an anti-graffiti chemical cleaner.

Fiscal Year 2013-2014 Objectives

To initiate a new technological system for graffiti work orders and evaluate its effectiveness.

To maintain the City's goal of removing graffiti within 48 hours.

To provide graffiti removal assistance to businesses City-wide.

To maintain an effective working collaboration with the Public Safety Department to improve the results of graffiti abatement operations and enhance graffiti prevention efforts.

To continue providing an efficient seven day a week graffiti removal operation.

PUBLIC SERVICES

Tree Maintenance

ACTIVITIES AND OBJECTIVES

Description of Activities

The Tree Maintenance Section maintains approximately 17,000 trees City-wide. The Section operates a variety of functions, which include: daily inspections; tree pruning; tree trimming; trimming for street sweeper clearance; removal of trees (due to disease, nuisance or infection); root pruning healthy trees to prolong their existence in parkways while limiting the concrete damage they may create; replenishing the urban forest to maintain a balanced ecological climate; conducting a pest management program to ensure overall tree health; and responding to emergency requests. In addition, this Section monitors tree trimming contract services which consists of grid tree trimming City-wide.

Fiscal Year 2013-2014 Objectives

To continue quality tree trimming in grids through contract services City-wide, by trimming one-third of all residential areas.

To plant a minimum of 250 trees City-wide in the Department's continued effort to re-supply the City's Urban Forest.

To remove reported and/or identified hazards within two hours of inspection.

To respond by telephone to all requests for tree service within 48 hours.

To continue tree planting in medians utilizing root barriers City-wide.

To continue City-wide beautification efforts through median enhancement and replacement activities.

To complete the first year of tree planting and educational outreach activities as funded by the 2013 Cal Fire Grant – Green Trees for the Golden State.

PUBLIC SERVICES

Greenscape Maintenance

ACTIVITIES AND OBJECTIVES

Description of Activities

The Greenscape Maintenance Section is responsible for the maintenance, refurbishment, and repair of 22 miles of center island and side panel medians. In addition, this Section monitors the landscape maintenance contract services which consists of maintenance of center medians, side panels, drains, and commercial sidewalks City-wide.

Fiscal Year 2013-2014 Objectives

To oversee the landscape maintenance contract to ensure timely maintenance, safe work sites, and quality workmanship.

To continue upgrade of side panels and medians City-wide with cost effective refurbishment of plant material as needed, including the use of drought tolerant species.

To continue updating all irrigation to provide proper coverage City-wide.

To continue maintaining a high quality appearance at all entryways into the City.

To continue water conservation efforts in the irrigation activities of City maintained landscaping areas.

To continue seeking partnership opportunities for future greening and beautification projects, with such agencies as Conservation Corps, EPA, and Strategic Growth Council.

To continue seeking competitive funding processes through Cal-Fire, Urban Forest Councils, and other agencies, for City-wide planting projects and development of an updated urban forest inventory and management plan.

To complete refurbishment of Studebaker Road center median from City limit to City limit.

PARKS MAINTENANCE

ACTIVITIES AND OBJECTIVES

Description of Activities

Parks Services maintains and repairs 12,000 square feet of park facilities and buildings including: Norwalk Golf Center, Sproul and Hargitt Museums, Sproul Reception Center, Norwalk Arts & Sports Complex, Norwalk Skate Park, Foster Road Greenbelt, Aquatic Pavilion, 125 acres of park grounds and 16 ball diamonds.

Fiscal Year 2013-2014 Objectives

To begin development of a Park Master Plan.

To develop and implement a comprehensive park amenities plan including benches, picnic tables, and barbecues.

To develop and implement a comprehensive playground replacement plan.

To design and install an entryway into Zimmerman Park parking lot including monument and landscaping.

To address the aesthetic appeal in the parking lots and entryways of all park grounds.

WATER SERVICES

ACTIVITIES AND OBJECTIVES

Description of Activities

The Water Services Section maintains the Norwalk Municipal Water System delivering safe, clean, domestic water to a total of 5,354 customers (4,493 in Norwalk, and 886 in the Artesia/unincorporated County area). The Section operates three water well sites (#4, 5, and 10), maintains 35 miles of pipeline including domestic and high pressure fire lines, maintains 450 fire hydrants and three landscaping areas, and meets all health standards, rules, and regulations of State and County Health Departments.

Fiscal Year 2013-2014 Objectives

To complete the second year of the new water well #10 operation at Norwalk Park.

To complete a water system study, and begin implementing opportunities identified, to improve the system for increased operational effectiveness and cost-benefit.

To continue regional involvement in water agencies to monitor activities impacting municipal water systems.

To begin implementation of State DWR requirements related to water conservation (BMPs).

To continue well maintenance at three wells (#4, 5, and 10) to comply with Department of Health Services standards.

To continue improvements in customer service and water quality.

To increase system production on demand.

To insure water system infrastructure is maintained with minimal downtime.

To improve water quality and quantity from water wells.

To continue insuring water system security measures are implemented.

WATER SERVICES ACTIVITY DETAIL

Account Number	Description	Cost
2080	<u>Contract Services - Non-Classified:</u> General contract services, consultant fees, and Engineering services. Emergency repairs and maintenance. 70,000 Electrical repairs at well sites. 4,000 Water main repairs. 10,000 Maintenance and repair of interconnection valves. 12,000 Consultant Fees- Water Engineering. 48,000 Landscaping. 11,100 Equipment calibration. 1,000 NPDES consultant fees. 4,600	\$ 160,700
2081	<u>Contract Services - Special Study:</u> Study/evaluation - Elevated Water Tank. 10,000 Water Master Plan - Continuation carry over. 100,000	110,000
2111	<u>Memberships:</u> Gateway IRWM JPA. 15,000 American Water Works Association. 500 Central Basin Membership. 700 USC Foundation of Cross Connection Control. 300 Southeast Water Coalition. 10,000	26,500

WATER SERVICES

ACTIVITY DETAIL

Account Number	Description	Cost
2160	<u>Special Fees & Services:</u> Water testing for State Department of Health Services and NPDES testing. Lab services - well and NPDES sampling. 38,000 Water Replenishment District - groundwater title 22 monitoring. 17,000 Department of Public Health well operating permit. 13,000 NPDES annual permit fees. 10,000	78,000
2170	<u>Special Materials & Supplies</u> Meter replacement materials. 20,000 Chlorination equipment and disinfectant. 12,000 Fitting, copper, clamps - items for repair. 28,000 Fire hydrant replacement parts. 7,000 Public information materials - CCR. 5,000 Conservation Outreach - BMP Compliance activities. 5,000 USA Dig Alert Notices. 1,000	78,000
2181	<u>Water Replenishment Fees:</u> Water Replenishment District - replenishment fees assessed at \$298 per acre foot, for groundwater pumped through wells #4, 5, and 10; estimate 1,053 annually (405 acre feet from well 4 and 5, and 603 acre feet from well 10).	233,200

WATER SERVICES

ACTIVITY DETAIL

Account Number	Description	Cost
2182	<u>Purchased Water - Domestic:</u> City of Cerritos (based on 861 acre feet imported annually, at \$1,016 per acre foot). City of Santa Fe Springs (based on 161 acre feet imported annually, at estimated \$1,725 per acre foot). Central Basin Water - imported water (night-time hours only for well 10; based on 360 estimated acre feet imported annually, at projected \$1,163 per acre foot plus estimated capacity/service charges totaling \$15,840). Central Basin Water- recycled water purchased at 30 acre feet annually (\$580 per acre foot).	915,000 282,000 435,000 17,400
2250	<u>Training:</u> LA County Dept of Public Health certifications. LA County Backflow Cross connection certifications. Water training through AWWA.	500 600 2,500
3850	<u>C/O Tools & work Equipment:</u> 90lb. Jack hammer and attachments.	1,000

PUBLIC SERVICES
Sewer Fund
ACTIVITIES AND OBJECTIVES

Description of Activities

The Sewer Fund maintains by contract 164 miles of sewer lines and 2,498 manholes, three sewer lift stations, and one storm water lift station. Also provided by contract is the periodic maintenance of 91 surface drains and three wash rack sump clarifiers located at the Transportation/Public Services facility. The Section also provides 24 hour emergency response to sewer issues.

Fiscal Year 2013-2014 Objectives

To increase the contract cleaning schedule and clean 50% of all sewer lines City-wide, and all trouble spots and siphons on a quarterly basis.

To provide the most responsive and appropriate level of sewer maintenance services City-wide to avoid spills and overflows from the system.

To respond within one hour to all emergency calls, including sewer system overflows (SSO) and report to agencies as required.

To comply with all California State Water Resources Control Board and NPDES mandated activities.

To continue to comply with the 2009 adopted Sewer System Management plan (SSMP), which includes operations and maintenance activities along with emergency response procedures.

To coordinate with consultant and LA County to collect the first year of sewer service charges (if approved) from property owners, to be included within the County Property tax roll; and provide annual 45 day notices as required by Prop 218 for Year 2 of fee.

To begin development and implementation of sewer capital improvement projects funded by revenues generated from the proposed sewer service charge.

To complete the 5 year audit of the SSMP as required by the Waste Discharge Requirement (WDR) Order No. 2006-0003.

To complete phase 5 of CCTV (closed circuit television) inspection of the sewer system (approximately 138,000 linear feet).

To coordinate with consultant to review CCTV results and prioritize sewer line conditions/develop projects for CIP implementation.

To purchase and install submersible emergency pump at Bloomfield sewer lift station.

SOCIAL SERVICES

ACTIVITIES AND OBJECTIVES

Description of Activities

The City of Norwalk Social Services Department provides a wide variety of services to Norwalk families. Services include information and referral, assistance with completion of forms (DPSS, EDD, Medical, Jury Summons, Housing, etc.), immediate emergency food and shelter assistance, emergency transportation, senior daily nutrition program, child care and dental care programs for children of low-income families, and special events. Office space is provided to local community-based organizations whose services enhance those of Social Services (counseling, legal aid, medical screenings, support groups).

Social Services Programs (Senior Programs, Child Care Program, Dispute Resolution Program and the Emergency Food and Shelter Program) are included in this department's programming but are detailed separately in regard to their own budgets.

Fiscal Year 2013-2014 Objectives

- To empower and educate clients in making good choices for themselves (support groups and life skills training).
- To provide information on Public Assistance Programs available to families.
- To increase efficiency for the department by cross training staff members.
- To provide written materials in both English and Spanish.
- To assist Seniors in expanding their recreational and social activities.
- To provide annual programs and services to low income residents such as the Income Tax preparation service.
- To provide additional social services information and referrals within City Departments and within the community.
- To provide networking of resources with other social service agencies serving the community.
- To research other sources of social services funding (public and private).
- To integrate social services with recreation services for seniors at the Senior Citizens Center.
- To continue to offer use of the facility to house a wide variety of Human Services programs.

EMERGENCY FOOD & SHELTER PROGRAM

ACTIVITIES AND OBJECTIVES

Description of Activities

The Emergency Food program offers emergency food assistance to individuals and families in crisis situations. The Lodging Voucher program is available for persons who are temporarily displaced, and in need of emergency lodging. Rental and utility assistance is available for individuals and families in need of financial assistance.

Fiscal Year 2013-2014 Objectives

To offer emergency food assistance and referrals for food to families and individuals in crisis.

To assist homeless families and individuals in need of shelter.

To assist families experiencing a crisis and/or emergency with payment of utilities and rental assistance and other related support services.

EMERGENCY FOOD & SHELTER PROGRAM

ACTIVITY DETAIL

Account Number	Description	Cost

CHILD CARE PROGRAM

ACTIVITIES AND OBJECTIVES

Description of Activities

The California Alternative Payment Program (CAPP) and CalWORKS (Stages I, II & III) Child Development Program provides subsidized services for children of low income parents working or in job training who live or work in the City of Norwalk. The funding is also allocated to provide childcare services to families that receive assistance from the Department of Public Social Services.

The program provides quality childcare, while allowing parents to work toward self-sufficiency through education, job training or employment. Childcare is provided in local day care homes, centers and schools.

This program is funded entirely through State and Federal funds from the Department of Education and the California Department of Social Services.

Fiscal Year 2013-2014 Objectives

To maintain and improve contract service levels.

To continue to work with Childcare Alliance of Los Angeles in delivering accountable and quality service with DPSS.

To continue providing parenting education seminars to our clients, providers and community.

To actively pursue new State, Federal, and other funding sources for advancing the number of children served by the program.

To continue working cooperatively with local school districts and day care centers, which ensures quality care for low-income children.

To computerize record keeping and tracking of clients.

To develop, maintain and update the resource and referral booklet for parents seeking childcare services in the Norwalk area.

To implement childcare provider training.

To implement a fraud control system of checks & balances in the program.

SENIOR CENTER

ACTIVITIES AND OBJECTIVES

Description of Activities

Offering to those 50 years and older a wide variety of educational, recreational, social and human service programs and services, the Norwalk Senior Center, which opened December 2000 continues to serve as a focal point for senior services and concerns in the community. Programs and services address both the interests and needs of “well” mature adults, as well as those who may be frail with special needs.

Fiscal Year 2013-2014 Objectives

Offer a variety of recreational and social programs for senior residents of Norwalk and surrounding communities that promote vital aging.

Respond to the needs of the community, as it relates to the needs and interests of mature adults 50 years and above.

Provide services such as case management, information and assistance, and other supportive services for older adults and their families and caregivers.

Provide the Supportive Services program as funded by the Los Angeles County Area Agency on Aging.

Provide programs that promote diversity, cultural awareness and intergenerational relationships.

Provide programs that promote emergency preparedness in the home.

Maintain collaborative relationships with a wide range of public and private partners and members of the aging network for the benefit of program participants.

Develop and disseminate age-appropriate publicity materials.

Continue to evaluate current programs and services and survey need for new programs and services.

Continue to recruit and utilize volunteers in meaningful and productive roles to support the senior program.

NORWALK DISPUTE RESOLUTION PROGRAM

ACTIVITIES AND OBJECTIVES

Description of Activities

The Norwalk Dispute Resolution Program is designed to provide dispute resolution services free of charge to Norwalk residents who are seeking conciliation, mediation, information and referral services regardless of income, age, ethnicity, and language.

Fiscal Year 2013-2014 Objectives

To assist clients with intake and problem assessment on a walk-in and telephone basis.

To assist clients with landlord/tenant, consumer/merchant and alternative dispute resolution information.
To maintain educational programs and provide written informational material to clients.

To outreach into the community and court system to provide dispute resolution services.

To alleviate the problem of case overload from the courts.

NORWALK DISPUTE RESOLUTION PROGRAM

RECREATION

ACTIVITIES AND OBJECTIVES

Description of Activities

The Recreation and Park Services Department provides Norwalk residents with a variety of programs, activities, services, and events including community services, youth and adult services, center and park activities, cultural activities, Citywide special events, special interest classes and workshops, a recreation program for the physically and mentally challenged, aquatic programs, athletic leagues, day camps, holiday events, and special activities. Norwalk All-City Band programs are also coordinated through this Department.

The Department also operates the Norwalk Arts & Sports Complex, which provides residents of all ages with a wide variety of year-round services and activities. The facility includes a full size basketball gymnasium, state-of-the-art weight room, racquetball courts, boxing gym, full service banquet and meeting center facilities, classrooms, and the Mary Paxon Gallery. In addition, the Department manages and programs the Aquatic Pavilion, which provides year-round swim activities, the Norwalk Golf Center, and oversees the Norwalk Skate Park.

Fiscal Year 2013-2014 Objectives

Conduct quality recreation programs and activities for youth and adult throughout the community.

Coordinate exciting special events for families.

Increase program participation through the creation of an extensive marketing program.

Secure grant funding to upgrade aging playground equipment.

NORWALK GOLF COURSE

ACTIVITIES AND OBJECTIVES

Description of Activities

The Norwalk Golf Course provides 9-hole par 3 golf, warm-up driving range, and lessons to residents of Norwalk and the surrounding region. The facility is operational seven days weekly from 7:00 a.m. to 7:00 p.m. It is one of only several remaining par 3 golf courses in the area, and is a great facility for golfers of all skill levels.

Fiscal Year 2013-2014 Objectives

Promote awareness of golf through citywide promotional efforts.

Expand youth and teen access to golf through joint efforts with schools and youth groups.

Increase the number of year-round tournament offerings.

Maintain high level of course aesthetics.

Increase participation levels focusing on Junior programming.

NORWALK GOLF COURSE

ACTIVITY DETAIL

Account Number	Description	Cost
2064	<u>Building Trade Supplies:</u> Building repair supplies, locks, nuts and bolts, tile, plumbing supplies, electrical supplies, vandalism repairs, paint, and lighting.	\$ 6,000

COMMUNITY DEVELOPMENT

Administration

ACTIVITIES AND OBJECTIVES

Description of Activities

The Community Development Administration oversees and manages the department's six divisions: Building & Safety; Engineering; Code Compliance; Planning; CDBG/HOME and Housing Authority. The Community Development Department oversees all future and current land use planning within the City, verifies the compliance of all development projects to state and local building and zoning codes, enforces property maintenance issues, manages the City's capital improvement projects, and directs the rehabilitation of the City's infrastructure system. Community Development also assists lower income families in rehabilitating their homes and securing decent and safe housing through federally funded assistance programs. The department also manages the City's economic development efforts to promote community revitalization, regional competitiveness, and economic opportunity for all segments of the community.

Fiscal Year 2013-2014 Objectives

To adopt an Economic Development Strategy and implement programs to strengthen existing businesses and attract new business development.

To track storm water compliance activities under a new account code (6106).

To ensure that the Department, through its various Divisions, provides a high level of customer service while implementing the programs, standards and regulations adopted by City Council. To represent Norwalk in the community, region and State in matters pertaining to Community Development.

To continue implementing the Records Retention program for the Community Development Department.

To increase and improve technical education and training department-wide.

To analyze economic and demographic trends on an ongoing basis that will support planning for economic stability.

BUILDING AND SAFETY

ACTIVITIES AND OBJECTIVES

Description of Activities

The Building and Safety Manager is responsible for administering the activities of both the Building & Safety and the Code Compliance Division.

The Building Division is responsible for the enforcement of the City's Building, Electrical, Plumbing and Mechanical Codes and other City, State and Federal Codes related to the construction, alteration or remodeling of buildings within the City of Norwalk.

Typical activities include plan check, permit issuance, and building inspection for all new construction and rehabilitation of commercial, residential and industrial projects. Additionally, the Building & Safety staff conducts inspections of substandard properties and provides support to the Rehabilitation and Code Compliance Appeals Board.

Fiscal Year 2013-2014 Objectives

To enhance the quality of life in Norwalk by providing for life-safety, safeguarding property and protecting public welfare through consistent enforcement of the adopted building codes.

To administer the construction waste recycling program in accordance with NMC 8.48 Article X.

To continue to coordinate Building & Safety activities within the City with other divisions and departments.

To continue to provide training for staff to maintain required certifications and continuing education with currently adopted codes required in accordance with the State Health & Safety Code Section 18968.

BUILDING AND SAFETY ACTIVITY DETAIL

ENGINEERING

ACTIVITIES AND OBJECTIVES

Description of Activities

The Engineering Division is responsible for the capital improvement and rehabilitation of the City's infrastructure including streets, water, sewer and drainage systems, and all traffic related activities.

Engineering is also responsible for, in conjunction with other City departments, City compliance with the State mandated National Pollutant Discharge Elimination System (NPDES), General Waste Discharge Requirements (WDR) for Sanitary Sewer Systems, and the Los Angeles County Congestion Management Program (CMP).

Specific activities include preparation of the City's capital projects program; programming of several Federal, State, and local funding sources; design, inspection and administration of capital improvement projects; review of private development plans; review and approval of parcel and tract maps related to private developments; technical support for the I-5 widening project; city-wide traffic signal synchronization; maintenance of public right-of-way and facilities maps; and assisting the general public with engineering related matters.

Fiscal Year 2013-2014 Objectives

To manage the completion of the final design of Firestone Bridge over the San Gabriel River.

To continue reducing the amount of carry-over Capital projects.

To support the design and construction of water improvements as funding becomes available.

To assist other departments with implementation of their capital projects including implementation of the water and sewer infrastructure improvements.

CODE COMPLIANCE

ACTIVITIES AND OBJECTIVES

Description of Activities

The Building & Safety Manager is responsible for administering the activities of both the Building & Safety Division and the Code Compliance Division.

The Code Compliance Division function is focused on enforcement of property maintenance and zoning issues related to the provisions of the Norwalk Municipal Code. Primary emphasis is placed on protecting public health and safety, preserving the quality of life within the City's neighborhoods and enhancing the community's aesthetic integrity.

Code Compliance staff are responsible for responding to complaints or inquiries regarding violations of zoning, sign, land use ordinances, and public nuisances as well as for being proactive in identifying and initiating cases. Staff investigates code violations and implements appropriate corrective action. In addition, the Code Compliance Section proactively identifies community maintenance deficiencies and develops or implements appropriate mitigation measures. Although achieving voluntary compliance is a primary objective, Code Compliance staff work closely with City Prosecutors, the District Attorney's Office and the courts to protect the public health and safety.

Fiscal Year 2013-2014 Objectives

To preserve the quality of life within neighborhoods, and enhance the community's aesthetic integrity by enforcement of the Norwalk Municipal Code.

To review and revise the policies and procedures to increase efficiency and effectiveness in resolving cases.

To continue operating the Code Compliance Division on a seven-day per week schedule.

To work with owners of vacant and foreclosed properties to ensure regular monitoring and abatement of property maintenance violations.

To coordinate code enforcement activities within the City with other divisions and departments.

To effectively work with the public and the business community to investigate and resolve property maintenance and zoning violations in a timely fashion.

CODE COMPLIANCE ACTIVITY DETAIL

PLANNING

ACTIVITIES AND OBJECTIVES

Description of Activities

The Planning Division is responsible for all future and current land use planning; the administration of zoning regulations; compliance with the California Environmental Quality Act, State Planning Law and the requirements of other regulating agencies and for being responsive to public requests for information and assistance. The Division maintains and updates the General Plan based on community goals and objectives in order to provide for the steady and orderly growth of the community consistent with sound economic and environmental principles. The Planning Division is responsible for undertaking a broad array of special studies on topics of interest or concern to the City. It also assists in the City's efforts to attract and maintain businesses that contribute positively to the economic development of the City by supporting current business expansions and improvements and creating spaces to attract new business opportunities.

Fiscal Year 2013-2014 Objectives

To continue to guide the orderly development and continued revitalization of the community by maintaining and implementing the comprehensive General Plan.

To involve the Public Safety Department in all design review processes to ensure a safe physical environment.

To monitor the adopted General Plan and provide for an annual review by the Planning Commission and City Council.

To continue to review and develop updates to the City's subdivision and zoning ordinances and to process zone changes, where necessary, to be consistent with the General Plan update. To achieve consistency with the General Plan and Strategic Plan by developing and implementing design standards for new or rehabilitated development to promote economic objectives.

To develop strategies for specific areas of the City that will encourage development activity.

To analyze economic and demographic trends on an ongoing basis that will support planning for economic stability.

STORM WATER COMPLIANCE

ACTIVITIES AND OBJECTIVES

Description of Activities

Storm water compliance is an activity supported by multiple city departments for the purpose of reducing storm water discharges flowing untreated into storm drains and oceans. City Streets are swept regularly and those are accounted in the Public Services Department 101-30-3402. The City complies with the State mandated National Pollutant Discharge Elimination System (NPDES).

Fiscal Year 2013-2014 Objectives

To manage storm water discharges through the use of best management practices.

To collaborate with other agencies to create a comprehensive Watershed Management Plan.

To assist other departments with implementation of their NPDES activities.

COMMUNITY DEVELOPMENT GRANTS

ACTIVITIES AND OBJECTIVES

Description of Activities

The federally funded Community Development Block Grant (CDBG) Program has the responsibility for administering a wide range of programs whose objective is to provide housing in a sound environment, principally for low and moderate income households. The focus of activities will be to provide financial assistance in the form of low cost home improvement programs, provide essential public services, stimulate the revitalization of older declining neighborhoods and monitor the modernization of essential infrastructure in neighborhoods with high concentration of low/moderate residents. The federally funded HOME program provides funding for residential rehabilitation and the provision of housing through funding designated for a Community Housing Development Organization (CHDO).

Fiscal Year 2013-2014 Objectives

To complete all required federal reports through IDIS system; prepare the City's Annual Action Plan, application, environmental review; and CAPER year end report.

To further Fair Housing activities.

To implement all programs approved by Council that are intended to upgrade the City's residential neighborhoods, such as residential loan grants and rebates, rental rehabilitation projects, residential down payment assistance, mobile home grants, and the HOME programs.

To monitor completion of CDBG funded public facilities and public works projects and ensure conformance with Davis-Bacon procedures and regulations.

To monitor the expenditures of Graffiti Abatement and Social Services programs funded by the CDBG grant.

To use additional CDBG funding from the American Recovery and Reinvestment Act (ARRA) for the redevelopment of abandoned and foreclosed homes and various housing-related programs.

HOUSING AUTHORITY

ACTIVITIES AND OBJECTIVES

Description of Activities

The Norwalk Housing Authority (NHA) is a separate legal entity that was established in 1976 to assist lower income families secure decent, safe, and sanitary housing at affordable prices. A seven-person commission of which at least two must be tenant program participants governs the NHA. Funding for staff, housing assistance payments and program operation is provided by the U.S. Department of Housing and Urban Development (HUD).

Fiscal Year 2013-2014 Objectives

To maximize lease-up within the budget provided by HUD.

To maintain a reporting rate of 95% or more to HUD's Public and Indian Housing Information Center's (PIC) internet system.

To review all contracted families and update eligibility by June 30, 2014.

To conduct annual inspections of contracted housing units and initial inspections for new units entering the program. Verify completion of repairs within 30 days of first inspection.

To upgrade software and licenses, including implementation of iPad technology for enhanced inspection capabilities.

To continue implementation of the Tenant Integrity Program to discourage tenant fraud and ensure that assistance is being properly utilized by those families who are the most needy.

To implement the Five-Year and Annual plans as required by HUD.

To continue the Family Self-Sufficiency Program as grant funding is provided.

To promote career development of staff through attendance at training workshops and professional meetings.

HOUSING AUTHORITY

TRANSIT

ACTIVITIES AND OBJECTIVES

Description of Activities

Norwalk Transit System (NTS) was established in 1974 as one of 16 municipal bus operators within the County of Los Angeles operating fixed-route and paratransit service. NTS fixed-route utilizes thirty (30) buses including: four (4) 40-foot Gillig Low-Floor diesel buses, three (3) 40-foot New Flyer Hybrid Gasoline/Electric buses, six (6) 41-foot New Flyer Hybrid Gasoline/Electric buses, three (3) 35-foot New Flyer Hybrid Gasoline/Electric buses and fourteen (14) 40-foot Gillig Low-Floor CNG buses. NTS provides services to over 2.2 million passengers per year. NTS provides fixed-route public transit service to the cities of Norwalk, Santa Fe Springs, Artesia, Bellflower, Cerritos, La Mirada, Whittier and portions of unincorporated LA County. The fixed-route service provides local circulation and trunk service within Norwalk and adjoining communities, as well as, connecting bus service between the Metro Rail Green Line Station and the Norwalk/Santa Fe Springs Transportation Center (Metrolink Station).

In June of 2009, a Line-by-Line Analysis was completed to provide NTS management and staff with a comprehensive study of its existing fixed-route services, and make recommendations for service improvements that maximize ridership and service performance in a cost effective manner. NTS' first major service change occurred on September 27, 2009; fixed-route service was restructured and streamlined from nine (9) routes to seven (7) routes operating in Norwalk and in the adjacent communities of Artesia, Cerritos, Bellflower, Whittier, La Mirada, La Habra, Santa Fe Springs, and the unincorporated areas of Los Angeles County. Moreover, NTS Route 3 was restructured incorporating a portion of discontinued Route 9 in the City of Santa Fe Springs, and NTS Route 7 was restructured incorporating a portion of discontinued Route 6 in the City of Whittier which occurred on September 27, 2009. NTS' second major service change occurred on September 19, 2011 affecting fixed route(s) #2, 3, 5, 7 and 8. More recently, NTS implemented further route modifications to eliminate its operational deficit and improve overall efficiency which included elimination of various segments on Route 3, elimination of Route 3 Saturday service and elimination of Route 8 service.

NTS continues to provide a high quality and efficient Advance Reservation Dial-A-Ride (DAR) for Norwalk's senior and disabled residents within the jurisdictional boundaries of the City of Norwalk through MV Transportation. NTS also contracts with Fiesta Taxi for late evening weekday supplemental taxi voucher service and daytime weekday inter-jurisdictional taxi voucher service for medical trips to eligible Norwalk/Santa Fe Springs residents and Whittier residents; 7 days a week. In keeping with its commitment to provide economic public transportation in a safe and effective manner, NTS is continuing to evaluate its paratransit services to enhance productivity and customer satisfaction. This includes development of recommendations for future service expansion and/or restructuring of existing services that takes into account the following: Residential and socio-economic growth in the service area and existing travel patterns of riders and non-riders to explore the best possible approach to enhancing the use of public transportation, including consolidating portions of paratransit services into community fixed route service. Overall, the ongoing internal performance evaluation process will ensure that NTS continues to improve its service to meet both current and future needs of the community within the constraints of available funding from local, state and federal sources

Fiscal Year 2013-2014 Objectives

NTS will continue to implement various service enhancements to benefit the Norwalk community and surrounding cities. NTS staff continues its participation in the L.A. County inter-agency Committees to address ongoing issues such as IATs, transfer policies, clearing/settlement agreement that determines the business rules for future operation of inter-agency fare programs (i.e. TAP, etc.). Two relief support vehicles are planned in FY 2013-14 to replace existing ones that have exceeded their useful life with a piggyback procurement with Montebello Transit. These vehicles are a strategic labor cost reduction to change over drivers from one shift to the next whilst keeping the bus on the road without incurring dead running distance.

Capital projects for improvements include: 1) Vehicle Maintenance Facility Upgrades 2) Construction of a CNG Vehicle Refueling Station 3) Replacement of bus wash and 4) Reconfiguration of Metrolink Station to reduce congestion and high pedestrian/bicycle traffic and 5) Replacement of (3) 2002 Low Floor 40-ft Passenger Gillig Buses with (3) 40-foot ADA compliant low-floor CNG buses that have an expected useful life of 12 years/500,000 miles. Lastly, an acquisition of a Metrolink Parking Ticket Vending Machine for single day parking is planned for FY 2013-14.

EQUIPMENT MAINTENANCE ACTIVITIES AND OBJECTIVES

Description of Activities

The Equipment Maintenance Division of the Norwalk Transportation Department provides maintenance support to the City's fleet of vehicles and equipment. The City has a variety of vehicles and equipment that require ongoing/preventative maintenance including: buses, heavy duty vehicles, light trucks, passenger sedans and other pieces of equipment ranging from generators to power mowers. The Transportation Department is now operating gasoline/electric-powered hybrid buses. However, in July 2010 the manufacturer of the gasoline hybrid propulsion systems, ISE Corporation, filed for bankruptcy and subsequently was liquidated in January 2011. Although the bus manufacturer, New Flyer Corporation, is supporting the existing buses for NTS apparently no new gasoline hybrid propulsion systems will be manufactured for future bus builds. The South Coast Air Quality Management District (SCAQMD) requires all NTS future bus acquisitions to be alternative fueled. The most practical fuel-path available to NTS at this time is compressed natural gas, (CNG). NTS fueling facilities and maintenance building infrastructure upgrades will be necessary to support future CNG bus purchases. The Equipment Maintenance Division is responsible to ensure that the fleet is properly maintained in accordance with generally accepted industry standards and in compliance with all Federal, State and Local regulatory and vehicle manufacturer's specifications. The Equipment Maintenance division operates year-round, seven days a week.

Fiscal Year 2013-2014 Objectives

The Equipment Maintenance Division continues to provide an ongoing in-service staff training and professional skills development program in an effort to improve overall service quality in the performance of the department's stated mission. Specialized equipment repair work is selectively contracted out as appropriate. A proactive Preventive Maintenance program assures that rolling stock and mechanical equipment is kept at peak performance. The Transportation Department is an active member of the Southern California Regional Transit Training Consortium (SCR TTC), whose mission is to develop effective partnerships with public transportation, private sector providers, and the community colleges to develop instructional curriculum and training in bus technology and equipment maintenance. The Transportation Department will continue to use Federal Transportation Administration (FTA) capital grant funds in the acquisition of associated maintenance items (such as major bus components and bus tire lease) and for a portion of preventive maintenance expenses.

The Transportation Department will make needed improvements to the equipment maintenance yard; including new fueling capabilities and infrastructure to compress and dispense CNG and bus wash systems to assure compliance with all applicable environmental regulations. Parking plans are being developed to maximize the most efficient use of existing yard space, while remaining sensitivity to safety concerns. An RFP was released on January 14, 2013 for the design-build and maintenance of a complete "turn-key" CNG vehicle refueling station located at the Transportation and Public Services Facility including upgrades to the Vehicle Maintenance Facility with a methane detection system to accommodate the repair and maintenance of CNG buses, trucks and autos. Each of NTS' two fuel lanes will have a fueling dispenser and nozzle for CNG transfer onto NTS fixed route CNG buses. The CNG station will be capable of fast fueling thirty (30) CNG buses on an average of fifty five (55) Diesel Equivalent Gallons (DEG) per bus to 3,600 psi, temperature adjusted to seventy (70) degrees Fahrenheit in a five (5) hour period. The methane detection system shall minimize the risk to City personnel and facilities in the event of a release of gaseous natural gas from within the Vehicle Maintenance Facility. Project also consists of designing and installing a Fall Arrest System in service bays number 1, 2 and 3.

The outdated bus wash will be replaced with an automatic, touchless heavy-duty vehicle wash and water reclamation system. There will be a reconfiguration of the Metrolink Station; entrance and its surrounding parking lot and bus loading and unloading zone which have become more congested with conflicting vehicles and high pedestrian/bicycle traffic linking the station platform to Imperial Highway.

As a Division of the Norwalk Transportation Department, Equipment Maintenance will continue to work closely with all City of Norwalk Departments, to ensure that the highest quality of equipment maintenance service and support is provided. This includes accomplishment of the City's safety goals by following Injury Prevention Program Guidelines and providing ongoing health/safety training programs to the staff. Management staff will continue an ongoing comprehensive review of overall equipment maintenance procurement activities as it relates to fleet management policies and practices; the scheduled acquisition and replacement of tools and equipment; continuous materials, parts, and major component supplier relations; heavy and light duty tire management; fare collection; fleet maintenance system and the service, fueling and washing of vehicles and equipment.

CITY OF NORWALK Outstanding Debt Descriptions

Debt Service funds accounts for the resources allocated toward debt service payments and are a recognized fund type in generally accepted governmental accounting principles (GAAP). The amortization schedule for principal and interest payments resembles mortgage payments, in that principal payments typically increase, while interest payments decrease over the life of the debt. All bonded indebtedness is administered by trustees as designated in the debt's Official Statement. Debt service payments and related administrative fees are budgeted in the Norwalk Community Facilities Financing Authority and transfers are made from the respective funds such as the General Fund, and the Parking Structure Special Revenue Fund. This is due to the fact that the NCCFA issued the debt.

Current Debt:

Norwalk Community Facilities Financing Authority Lease Revenue Refunding Bonds 2013 Series A

Issued: \$7,120,000 in May 2013	Outstanding Principal 6/30/13: \$ 7,120,000
	Interest \$ 2,101,565
Purpose: To refund the outstanding balance of 1999 Lease Revenue Refunding Bonds	
Debt Payments: Semi-annually in December and June for Interest, Principal paid in June	Maturity Date: June 2029

Norwalk Community Facilities Financing Authority Lease Revenue Refunding Bonds 2013 Series B

Issued: \$8,630,000 in July 2013	Outstanding Principal 7/03/13: \$ 8,630,000
	Interest \$ 2,411,464
Purpose: To refund the outstanding balance of 2001 Lease Revenue Refunding Bonds	
Debt payments: Semi-annually in December and June for Interest, Principal paid in June	Maturity Date: June 2025

CITY OF NORWALK

Outstanding Debt Descriptions

Water Revenue Bonds 2013 Series A

Issued: \$9,395,000 in May 2013

Outstanding Principal 6/30/13: \$ 9,395,000
Interest \$ 6,780,309

Purpose: To fund the acquisition of water rights and water system infrastructure improvements.

Debt Payments: Semi-annually in December and June, Principal due in June

Maturity Date: June 2043

Revenue Guide

AB 1290	Portion of tax increment revenues generated by properties within the redevelopment agency boundary.
Business License Tax	Tax on businesses for the privilege of conducting business within the city.
Citizens Option for Public Safety (COPS)	Revenue granted from the state General fund for supplemental public safety services. (Special Revenue Fund)
Fees, Charges and Rates	Fees comprise a broad category of locally imposed revenues generally intended to recover all or a portion of government's cost for providing a service or access to public property, or for mitigating the impacts of the fee payer's activities on the community. Revenues from all charges for specific services provided by the City such as engineering and plan check, recreation fees, facility use fees, regulatory fees, etc.
Fines, Forfeitures, and Penalties	Revenues received from the City's allocation of fines and penalties imposed by the courts for vehicle code and other statutory violations.
Franchise Taxes	Taxes levied by the City upon private companies for the use of City property or granting special franchises. City imposes franchise taxes on Cable TV, Solid Waste, Electric, Gas, Water and Oil Companies.
Interest Income	Interest generated from the City's investments.
License and Permits	Licenses or permits are issued to regulate activities within the City, such as animal licensing, special event permits, etc.
Measure R	Percentage of Sales Tax dedicated to transportation related improvements. (Special Revenue Fund)

Motor Vehicle License Fee	Based on the market value of a vehicle, the Motor Vehicle License Fee (VLF) is a state imposed tax for the privilege of operating the vehicle on public streets.
Motor Vehicle Fuel Tax (Highway User Tax, Gasoline Excise Tax)	An 18 cent per gallon tax on fuel used to propel motor vehicle or aircraft. The State Controller's Office collects and allocates the revenues, and audits the use of the revenues, which are restricted research, planning, construction, improvement, maintenance and operation of public streets and highways.
No/Low Property Tax	Designation as a result of city receiving no share of the property tax.
PEG	Revenue received from Cable TV companies for Public-Educational-Government Access (PEG) television
Property Taxes	Revenues received as a result of taxes levied on real estate and personal property.
Property Tax in Lieu of VLF	Revenues received as a result of local Vehicle License Fee revenues for additional shares of the property tax as a part of state-local budget agreement. Under this arrangement the VLF rate was reduced from 2% to 0.65%. The reduction in VLF revenue to cities and counties was replaced with a like amount of property taxes, dollar-for-dollar.
Proposition 42 Gasoline Sales Tax (Transportation Congestion Relief Fund)	State revenues allocated to Traffic Congestion Relief Fund (TCRF) for special regional projects, such as streets and roads improvements.

Sales and Use Tax	A tax imposed on the total retail price of any tangible personal property and the use or storage of such property when sales tax is not paid.
State Mandate Reimbursement	State reimbursement to cities for programs and services mandated by state.
Real Property Transfer Taxes	Tax imposed on the transfer of ownership in real estate. Real property transfer tax imposes a tax on the purchaser of real property based upon the value of the property.
Transient Occupancy Taxes	Tax imposed on individuals renting accommodations in hotels, motels, inn etc.
Use of Money and Property	Revenues received from the rental of land, buildings, equipment and interest from investment of City funds.
Utility User Tax	Tax imposed on the use of, telephone services and the consumption of electricity and gas.

Glossary

A

Actual - Amount paid for expenditures for the fiscal year.

Adopted Budget - The new allocation of expenditures and revenues for the fiscal year as approved by the City Council.

Air Quality Improvement (AQMD) Fund - A fund which accounts for monies received from AQMD, which are used to improve air quality. (A special revenue fund.)
