## Active Sports Rehab and Norwalk Pharmacy Open in the City of Norwalk

On Friday, June 30, Active Sports Rehab, together with Norwalk Pharmacy, celebrated the opening of their businesses with a grand opening ceremony at 13330 Bloomfield Avenue.

Active Sports Rehab has been in business since 2001, and is committed to helping their patients achieve the highest level of functional independence possible. "This is achieved through the care and professional assistance every Active Sports Rehab patient receives," according to Chris Bollier the Active Sports Rehab owner. The Norwalk office is one of three Active Sports Rehab's three locations – the other two are in Buena Park and Anaheim. Bollier says the new Norwalk office is a great facility because of its large size. It's big enough to provide plenty of patient services. Active Sports Rehab has various payment options including Medicare, Medicaid, worker's comp, PPOs and IPAs. Active Sports Rehab is located at 13330 Bloomfield Avenue, Suite 101.

From Left to Right: Active Sports Rehab Owners: Chris Bollier and Marilou Bollier, Norwalk Pharmacy Owners: Dr. Tammy Duong and Dr. Kevin Cong Nguyen.

Also celebrating a grand opening on June 30, was Norwalk Pharmacy. According to the Pharmacist, Dr. Tammy Duong, our clients are #1. We offer personalized service that ensures our client's medication will fit their individual needs. That level of customer service has been largely eliminated by large scale, high volume operations that are now so popular. Norwalk Pharmacy is located at 13330 Bloomfield Avenue, Suite 102.

The Norwalk City Council helped officiate over the ribbon cutting and they also presented Community Spotlight Awards to both businesses.
